Recession! for LOVE & CARE!!...No!!

says Company Secretaries – Mission Bramham

Abhaya received a call at about 7.30 PM on 18.08.2009 from CS.Ahalada Rao & CS.Ravikanth, Practicing Company Secretaries from Hyderabad saying that, "brother there is need for the abhaya's support, CS.Brmghaiah who is working for M/s Surya Chakra Power met with an road accident couple of days back and being admitted at Anupama Hospitals, KPHB, Hyderabad in a state of coma. We may have to pool some recourses for him as he is poor fellow just started his profession about couple of years back"

Abhaya spread a Prayer Request...

We understand that our CS.Frined CS.S.Bramhareddy in a state of coma for the past couple of days at a private hospital at KPHB and undergoing treatment after meeting an accident while driving two wheelers.

Right now his kith and kin is there with him in the hospital. Hospitals, doctors, nurses, money, medicines etc., may facilitate the treatment where as it is only our prayers alone which can bring god's grace to him and cure him from ill health. We know we are bound by our busy schedules...but just keep him in our heartfelt prayers... we are sure that he would come back to life miraculously. Pray god be with him. guarding, guiding, loving, caring, curing...

Abhaya found very heartening Story of CS.Bramham on enquiry....He is just 32 years coming from a small village near Kovvur in Prakasham District. Father is not there and aged mother Subbamma (75 years) and two elder brothers. All of them had about 5 acers of land at the village. This is the only fellow who could educate in home. He is a lucky man and finished his CS Course about couple of years back and got married just recently. While he was going to office in the morning in order to save a passerby on the road he fell on road divider from the his 2 wheelers and gone un conscious instantly.

It was call to 108...which took him to the nearest Anupama Hospitals from the accident spot, a BIG Thanks to 108 but for the EMRI Team he could not have been there.

CS.Sarveswar Reddy, former ED of Hyderabad Stock Exchange being the first man to receive accident information as CS.Bramham called his Mentor in the morning from the Mobile...which really connected him to all others. Immedately CS.Sarveswar Reddy informed his MD and other Colleagues at Surya Chakra Power.

SLOWly information been passed on **TO EV**eryone around his l life...

an assurance for no fear

Raghava Reddy a Small time Contractor in Hyderabad who is very close friend of **CS. Bramham** to come first to the Hospital, Venkateswar Reddy & Koti Reddy both his brothers rushed from village next day. No one in their family knows about all this...as mother is 75 years suffering from imbalanced BP, Wife is at her mother's place after miss carriage...there is none to even share this information as everyone in the family belongs to LIG/MIG. But still they all pooled some resources bringing some hand loans here and there. The expenses cannot be estimated at this moment of time says Dr. Ramesh at the Hospital as he is still in ICU. Every day expenses may go around Rs. 12,000/- to Rs. 20,000/- . Till now the bill is about Rs. 2,00,000/- for the last one

Lot of CS Friends took initiative of pooling resources for CS. Bramham activated abhaya to pool support from abhayans...there by a brief email being shared with lot of known professionals in the circle being sent on 18.08.09 and later Hyderabad Chapter of ICSI came out with an appeal on 19.08.09 asking all its members to contribute generously for the cause. It was great moment of inspiration seeing scores of people across India started sharing their best resources for CS. Bramham along with their heartfelt prayers for his speedy recovery!
