"SERVICE TO MAN IS SERVICE TO GOD"...this is the message of all religions. If an individual is in the path of social service, he can for sure inspire few people into the stream, where as if a corporate take up such path of social service, all the stakeholders such as Directors, Employees, Shareholders, Agencies connected to it, shall either directly or indirectly get involved in such culture of giving back to the country.

abhaya Foundation has been founded by us in 2006 to inculcate such culture of social service, among its members and corporates connected to them in our way. The motto of abhaya is Transformation of Individuals who are connected to abhaya in serving the needy. There are reputed organizations like the Rotary Club, Lions Club, Sri Satya Sai Seva Organisation, Ramakrishna Mission etc, who are doing invaluable service to society. Every religion says that Service to man is service to God. Further, it has been said that, Service if done selflessly, there would be transformation of self and transformation of seeker of help as well. Hence selfless service to humanity at large may be termed as true service.

We all know, N.S.S. (National Social Service) in the colleges and universities and in schools Bharat Scouts and Guides and Junior Red Cross wings were initiated so as to create attitude of gratitude in the young minds towards country. The spirit behind such initiatives is making young men aware of giving back to the society there by bringing back the lost glory to the country.

There are still many social issues where individuals if teamed up... can do a lot of work by appealing to the minds of people. Issues like ill health, illiteracy, unawareness, rural infra, sanitation etc, in the country needed more attention for resolution. We firmly believe that resolving such issues will surely make up this country and countrymen.

We know, many foreigners undertaking social service programs in the fields of medical care, education and welfare of the handicapped. We now have to realize the fact if far people coming near to our countrymen for solving their problems, what about we learning to serve our brethren with our might with the support of people. We should inspire our own family members, relatives, friends in our life and further the youth, professionals, corporate houses to dedicate themselves in the service of the nation.

Further recognizing the need of involving corporates in community work, the Government of India, has brought in the required provisions into the statute book, whereby the designated section of corporates shall, share their part of profits to the society by involving itself in social cause either directly or indirectly through NGOs. I strongly believe that, abhaya can be a trusted partner to work for the betterment of people in the country to fight for the social causes in giving them solace from issues there are facing in the field of health / education / care related problems. Personally I am glad to be associated with abhaya as its Founder Trustee since 2006 and my experience with abhaya and its Mission to Serve with H.E.A.R.T is really inspiring. I am glad that I can now say, I am doing my bit for this country. Appealing each one of you to join hands in this holy work of loving our country men.

# abhaya **HUNT THE WINTER** 2014

**abhaya FOUNDATION**  
an assurance for no fear...

**Mission to Serve with "HEART"**  
**HEALTH | EDUCATION | AWARENESS | RURAL DEVELOPMENT | TRANSFORMATION**

We have about 125 crore population in the country. Latest stats shows that 50% of them do not have access to basic amenities like food, shelter, education etc., in the country.

We all know during Winter we take out Warm Clothes, Rugs, Thick Blankets, Monkey Caps, Shawls, Room Heaters etc., some times, we even bring new ones for our comfort during the season...to fight the weather. Every winter, hundreds of people die on streets fighting cold weather.

## abhaya **HUNT THE WINTER**

As part of its mission to spread care & love for the Community around...abhaya decided to take up "Hunt the Winter" Project since 2006 with a mission to provide 1000 blankets to the most needy people in the streets, orphanages, villages across country. This may cost about Rs.1,50,000/- each year. As of date abhaya distributed around 12,000 blankets. If you are one among those kind hearted people in the society who think that, we can do some good work...then abhaya welcomes you to be part of this service project.

You can contribute for this mission...with Rs. 150/- per blanket...  
which may be less than the cost of

**a good lunch@ hotel... movie ticket on a week end...**  
**2 cigarette boxes... 2 burgers enjoyed with a friend...or**  
**browsing net for an hour for a week...**

### How to identify the right beneficiary:

If one wishes to identify the people who are in need, requires their eyes and ears to be open to the society. Then the need would be understood by the heart.

**Few instances where you find the needy in and around us are as follows:** For example if we are in Bangalore and drive in posh areas such as Jayanagar, Indiranagar, Koramangla etc., we will only find goorkhas and Doberman dogs but not poor people

sleeping on the roads! Hence we need to go to outskirts during the nights where the need is imperative like slums/temples/bus stands/railway stations/ orphanages etc.,

So let us go out during the night after 10.30PM in a 2/4 wheelers (let it be slow drive with family/friends) let us observe around in all directions. Sure we notice many people who do not have proper cover on them sleeping on road sides, slums, bus shelters, bus stands, railway stations, market areas. Just identify the needy and silently go and cover them with a blanket...not even disturbing them from their sleep. This would be possible all across the city.

*Only thing is that we need to be little patient as if we are going to see Lord Venkateswara of Thirumala!*

### Where to look around..

- **Identify the needy in and around our homes:**
- **Constructions sites:** Tents of labour with small kids working day and night. Most of them would not have any warm clothing.
- **Maid servants in our own home:** May not have proper blankets, enquire casually and understand the need.
- **Night watch men working at offices, schools, residences:**
- **Rickshaw pullers/coolies/ labour etc:** Who cannot afford a blanket for every member of their family!
- **Identify orphanages/old age homes** and after thorough enquiry and observation we can give the blankets to all the inmates.
- **If we wish to help those people in the villages:** Then we can plan to go little beyond city...then every villager is in need.

## How to identify the team for distribution and what kinds of logistics are involved:

Whoever is ready to volunteer for the distribution may join the team. We will give responsibility to one in the team of 4 people in that area. The distribution can be easily done by each family/team. Probable process of Hunt the winter would be as follows:

- There must be a brief meeting with the

family/friends in regard to Hunt the Winter.

- If everyone is game: then think about how each one of them can be part of this Mission.
- Estimate the need and places to cover after observing for a week or so before actual distribution.
- Calculate probable number of blankets that can be distributed by each family.
- The mission to be shared with all the friends, neighbors, pals etc., if someone interested, they would join with their resources.
- See what the family can pool for blankets from their own savings...if there is a deficit, family head would provide the rest.
- If there is still deficit, abhaya would be supporting the rest.
- Block Saturday nights every week during the winter months (Sundays not preferred as the late night activity may affect next working day).
- Start in your car after 10.30PM...be on mission pray fully.
- If there is no car, then it would happen in 2 wheelers with 2 youngsters along with 6 blankets.

- If there is a space in the car, motivate 2 others to join your family/team.
- This would give a great satisfaction in working for the people who are in need.

## Don't forget the following too:

- Capture the images when you give blankets.
- Share your experiences with abhaya for spreading them further to motivate.
- Post these things in blogs, face book, emails...then it would become a movement
- Share this with those who don't have access to net at homes with parents, spouses, friends...
- Thank god who had given us such a wonderful opportunity!

If we do this winter would be hunted out of our cities. Service is not an opportunity to help someone...service is an opportunity to transform ourselves in that process. Let the pain in our heart be relieved by doing such work for those who are in need.

## *An Inspiring message from GMR*

Dear Balachandra garu,

At the outset, I wish to congratulate you and abhaya Foundation team for the idea of organizing a seminar on Corporate Social Responsibility in Bangalore. Bangalore being a hub of Corporates, it is very appropriate to bring them together on this very important challenge. As you rightly mentioned, it is very important to bring greater awareness on the roles and responsibilities of Corporates in involving themselves in meeting the societal needs especially in the light of new CSR provisions. This inclusiveness effort to bring the Corporates together on a common platform by abhaya Foundation is rightly timed and I am sure this Seminar would fulfill that objective to a greater extent. My sincere appreciation to the entire team for this great effort.

I wish abhaya and its team all the good luck for this CSR Seminar and also for your future endeavors.

GM Rao  
Group Chairman, GMR Group

"I am of the opinion that my life belongs to the whole community and as long as I live, it is my privilege to do for it whatever I can. I want to be thoroughly used up when I die, for the harder I work the more I live" - George Bernard Shaw

The government has with effect from 1st April 2014 imposed compulsory corporate social responsibility obligations ("CSR") upon Indian companies and foreign companies operating in India under the Companies Act 2013. These obligations mainly come in the form of mandatory amounts of a minimum of 2% of their profits the eligible companies must contribute to remediate social problems.

This is a wholly new requirement; although companies were permitted, within certain limits, to make charitable contributions in the past, the New Act is essentially a self-administered tax. This will cover approximately 10,000 Companies and bring in about Rs. 30,000 Crores for the benefit of community through CSR in India.

abhaya Foundation, one of the pioneers in spreading the cause of community work in the country, feels immensely glad to be a part of the CSR Movement in India and contribute in bringing in awareness among the corporate of its roles and responsibilities under the new regime. abhaya Foundation in association with FKCCI and Bangalore Chapter of ICSI takes pleasure to host a full day seminar on "CSR - from initiation to implementation, at Bengaluru on Saturday, the 8th November 2014. ## CSR Update

### **Donations to Swach Bharat Kosh, Clean Ganga now part of CSR:**

The Ministry of Corporate Affairs (MCA) has included donations to the Swach Bharat Kosh and the Clean Ganga Fund — set up by the Central government — as part of corporate social responsibility (CSR) spends by India Inc. This notification was issued on Friday, October 24.

### **Government makes Corporate Social Responsibility spending mandatory for public sector companies:**

Coming out with revised guidelines, the government has made it mandatory for all profit-making central public sector companies to spend money on CSR Activities. Besides, these enterprises cannot include money spent on sustainable development efforts under the Corporate Social Responsibility (CSR) ambit.

The Department of Public Enterprises (DPE) has come out with the revised guidelines following the new Companies Act making social welfare spending compulsory for certain class of profitable corporates mandatory. In comparison with provisions under the Companies Act, 2013, the latest DPE norms are more strict since it would be applicable on all profit-making central public sector enterprises.

According to revised DPE guidelines, issued on October 21, "it is mandatory for all profit-making CPSEs to undertake CSR activities as per provisions of the Act and CSR rules". These guidelines are effective from April 1. CPSEs that do not meet the eligibility criteria under the Companies Act but have made profit in the preceding year are now required to spend "at least two per cent of the profit made in the preceding year on CSR activities".

"In case of CPSEs mere reporting and explaining the reasons for not spending this amount in a particular year would not suffice and the unspent CSR amount in a particular year would not lapse. "It would instead be carried forward to the next year for utilization for purpose for which it was allocated,"

## Multinational corporations seek clarity on CSR legal norms

"There's a lot of ambiguity whether CSR norms in the new Act are applicable to us or not," said a senior executive of a leading MNC operating in India's Infrastructure sector. "We, in any case, as a part of our global practice, do CSR in locations we operate in but are we bound to do it as per the law is yet to be clarified. We have raised the issue with the government." "The Act says that its provisions will apply to "companies incorporated under this Act or under any previous company law".

But the CSR rules have expanded the reference to a "company" by including foreign firms having offices in India. "The rules seem to have gone beyond what was stated in the Act, by also including a foreign company having branch offices and project offices, although it does not fall into the definition of a company," Experts say, as per the law, foreign companies are not bound to follow CSR norms. "It's a settled legal position that rules are supplementary and subservient to the provision of statute and cannot enlarge its scope. We're advising our foreign clients that legally the Act has to be followed not rules. The government needs to amend the law to get foreign firms in ambit of CSR norms."

## We will surely ask if you do not spend on CSR: Nirmala Sitharaman

Union Commerce and Industry Minister Nirmala Sitharaman stated, 'If you do not spend the money, the government can certainly ask why you are not spending.' The minister made this statement while addressing a CSR conclave organized by Indian Chamber of Commerce in Guwahati.

'Every corporate house has the responsibility to give back to the society. Corporates are the wealth creators. But they also have a duty to the nation. Through CSR you can create and nurture the wealth of society together with people who live there. Everyone expects the government to deliver, but actually it can only facilitate,' Sitharaman said at the conclave.

## Naidu throws Vizag open to 'CSR colonies'

As Visakhapatnam returns to normalcy, Andhra Pradesh Chief Minister N Chandrababu Naidu is all set to knock at the doors of India Inc to rebuild colonies damaged by cyclone Hudhud, as part of their corporate social responsibility (CSR).

Reportedly, Infosys Foundation chairperson Sudha Murthy is the first person to have been approached to build a colony, with 400-500 houses, for the fishermen who lost everything in the cyclone. Pending final response from her, officials of the Industries and Information Technology departments are now preparing a list of other corporate houses, to enable Naidu to dial them up for help. Reliance, Wipro, Adani Group, Aditya Birla, Mahindra, GMR, GVK, NTPC and Visakhapatnam Steel Plant (VSP) are others on the list. -

# గాంధీజీ ప్రేరణతో జపాన్ 'సాజీ'

- ప్రతి విద్యార్థి చీపురు పట్టాల్సిందే
- పాఠశాల పరిశుభ్రత బాధ్యత వారిదే
- నిత్యకృత్యంగా అమలు

ఈనాడు - హైదరాబాద్

ఎక్కడ పరిశుభ్రత ఉంటే ఆక్కడ దేవుడు సాక్షాత్తులస్తా అన్నది గాంధీజీ సిద్ధాంతం. దాన్ని ఆచరణలో పెట్టడానికి ప్రధాని నరేంద్రమోదీ ఇప్పుడు స్వచ్ఛభారత్ ఉద్యమానికి పిలుపునిచ్చారు. ప్రతి ఒక్కరూ వారానికి రెండుగుంటలు ఇండుకోసం కేటాయింబాలని కోరారు. మనదేశం మాట ఎలా ఉన్నా జపాన్ మాత్రం గాంధీ బోధనలను ఎప్పుడీ నుంచో అమలు చేస్తోంది. సరికొత్త సాంకేతిక ఆవిష్కరణలకు నిలయమైన ఆ దేశం పారిశుధ్యాన్ని విద్యారోప నలో భాగంగా చేసింది. దీన్ని ఓ పదితర కార్యక్రమంగా చూస్తోంది. పాఠశాల దశ నుంచే విద్యార్థులకు ఇండులో భాగస్వామ్యం కలిపిస్తోంది. కేవలం పాఠాలకు పరిమితం చేయకుండా ఆచరణలో చేసి చూపిస్తోంది.

'సాజీ' పేరుతో రోజూ సాయంత్రం పాఠశాల ముగిసే సమయంలో విద్యార్థులతోనే మరుగుదొడ్లలో సహా పాఠ

శాల ఆవరణ మొత్తాన్ని శుభ్రం చేయించడం ఆక్కడి బోధనలో ఓ భాగం. ప్రపంచంలో ఎక్కడా లేని విధంగా పాఠశాలలో చేరిన చిన్నపిల్లడు మొదలు ఆ ప్రాంగణంలో చదువుతున్న పై తరగతి విద్యార్థులరకు అందరూ ఒక్క పంది పనిచేయాల్సిందే. ఆక్కడ పాఠశాలలను పరి శుభ్రం చేయడానికి ప్రత్యేకంగా ఉద్యోగులంటూ ఉండరు. ప్రతి రోజూ 15-30 నిమిషాలపాటు ప్రతి విద్యార్థి తనకు అప్పగించిన ఏదో ఒక శుభ్రతా కార్యక్ర మంలో పాలుపంచుకోవాల్సిందే. వారానికి నాలుగు రోజులు ఈ కార్యక్రమం జరుగుతుంది. బుధవారం లేదంటే శనివారాలు మాత్రం ఈ పనిచేయరు. ప్రతి

సెమిస్టర్ చివరి రోజున బాటిగా ఈ కార్యక్రమం చేపడ తారు. ఆ పని జరుగుతున్నంత సేమా విద్యార్థుల్లో ఉల్లాసాన్ని రేకెత్తించే ఆకర్షణీయమైన సంగీతం విని పిస్తూ ఉంటారు. ఒక తరగతి విద్యార్థులకు... తమ గదిలో పాటు పాఠశాల ప్రాంగణంలోని మరో రెండు ప్రాంతాల పారిశుధ్య బాధ్యతలను అప్పగిస్తారు. ఇండు కోసం వారిని నాలుగు చిన్న బృందాలుగా విభజిస్తారు. ఆరోతరగతి విద్యార్థులకు చెందిన ఓ బృందాన్ని ఒకటో తరగతి చదివే చిన్నారలవద్దకు పంపి తరగతి గదిని ఎలా శుభ్రం చేసుకోవాలో నేర్పుతారు. జపాన్ లో చాలా మంది చిన్నారలకు తోబుట్టువులు ఉండరు. అందువల్ల

మానవ సంబంధాలు పెంపొందించేయడానికి పెద్ద పిల్లలతో చిన్న పిల్లలు పాల్గొనేలా కార్యక్రమాన్ని రూపొందిస్తారు. ఏడాదిలో మూడుసార్లు పాఠశాల చుట్టుపక్కల ప్రాంతాలను కూడా శుభ్రం చేస్తారు. మూడోతరగతిపైన చదివే పిల్లలకు ఈ బాధ్యతలు అప్ప గిస్తారు. విద్యార్థులంతా ఆడుతూపాడుతూ ఈ కార్యక్ర మంలో పాల్గొంటారు కాబట్టి ఎవరూ ఆలసిపోరు. మరుగుదొడ్లు మొదలుకొని పాఠశాల ప్రాంగణంలోని ప్రతి మూలనూ రోజూ తరగతులు అయిపోయాక శుభ్ర పరచుకోవడం జపాన్ లో అలవాటుగా మారిపోయింది. ప్రపంచానికి సాంకేతిక గురువుగా ఏదిగినప్పటికీ పిల్ల లతో శుభ్రం చేయించేటప్పుడు వ్యాఖ్యామే క్షీనరాలంటి యంత్రాలేమీ ఉపయోగించరు. అందరూ సంప్రదాయ పద్ధతుల్లో చీపురుతో దుడ్డుదంతోపాటు, ఒక్క పంది తడి వస్త్రంతో గడ్చులను తుడవాల్సిందే. జపాన్ బాషలో 'సాజీ' అని పిలిచే ఈ పరిశుభ్రతా కార్యక్రమంవల్ల రెండు ప్రయోజనాలున్నాయి. పరిసరాలను ఎలా శుభ్రంగా ఉంచుకోవాలో నేర్పడం అందులో ఒకటైతే, పరస్పరం ఎలా సహకరించుకోవాలో తెలియజేయడం రెండోది. బృందాలుగా కలిసిపోయి వేగంగా ఎలా పని చేయాలో నేర్పించేలా ఈ శుభ్రతా కార్యక్రమానికి ప్రతి రోజూ ఆదరణలతోపు సమయాన్ని కేటాయిస్తున్నారు.

## Healthcare Update

### Mission Hari Prasad:

Hari Prasad is 6 years old boy and is a special child. He cannot speak and stand on his own. He is taking treatment in Sweekar for past 2 years. His father Shankar Rao, working as a daily labour in company called SVB near Gudla Pochampally and they are staying in a hut nearby by company. His monthly income is about Rs.7000/-. Dr. Sridhar (Ortho) performed an operation in June'14 which was covered under Aarogya Sree. He suggested to take physiotherapy for 3-4 months, so that the boy can sit on his own. They have to pay about 4500 per month for physiotherapy and even after discount, it would be around Rs.3000/- which is a costly expense for them. Hari's Mother, Kumari, got reference of abhaya from Sweekar Doctor and called for help. Post receiving their appeal, abhayan Siva Krishna, went and met Doctors and Chairman of Sweekar and asked for maximum possible discount. They kindly agreed for Rs.2000/- per month and asked to assure that the help should not be misused. abhaya paid Rs.4000/- for two months and in continuous touch with the parents. - **abhaya Team**

## Mission Phanindra... need money & prayers too

My Nephew Phanindra is in critical condition and taking treatment in CMC Vellore. He was suffering from fever and throat infection before 5 months. When he was admitted in hospital, the doctor suspected it would be diphtheria and undergone tests. Without any declaration or the reports, he was given wrong treatment with heavy dosage of 9 injections. The boy's was in serious condition as his blood got poisoned and kidneys failed. In emergency at midnight he was sent to KIMS, there he got dialysis for five times, they cured him and sent him to home.

After 10 days at home he was vomiting regularly and we took assistance from doctor he suggested a capsule. Once his vomiting reached lungs, In hospital, they

cleaned and done tricotamy. At that time his food pipe is damaged and arranged a pipe through nose for his feeding and oxygen through throat, there the pipe became so small for him he could not take his breath. The doctor made his throat operated and arranged a big pipe for oxygen without any anaesthesia. After watching this the boy went into coma and there was no oxygen going to brain, patches had formed and 40% brain got damaged. Therefore we took him to CMC vellore for his treatment it will take about 3 to 4months. The doctors havent informed about any surgery. If at all they about to surgery we are not in a stage to pay that amount. We have been already spent about 40lakhs for his treatment in KIMS, Ankura hospitals etc. So we cannot afford much money for his treatment. We already borrowed money from relatives and everyone we know, sold everything from my house. We have approached Vanita TV and they telecasted a program Batuku Bandi about this boy. With the money we got from that program, we somehow arranged for the Vellore Expenses. We are left with no options other than Hope. Hence I am appealing you for financial help. - **Dinesh, Hyderabad**

We even performed Saraswathi Pooja and Ayudha pooja on the ninth day and tenth day we celebrated Vijayadashami. As per mythology it is said that on this day the Demon King Ravana was killed by Lord Rama and thus this day is celebrated grandly. I wish everyone a belated "Happy Vijayadashami". I once again thank Abhaya Foundation for their valuable support and encouragement given to all the individuals both financially and morally for their development and prosperity. We are proud to get associated with your organization and be a part of it. - **S.Srivalli, II Inter, Hyderabad**

# abhaya participated in SEVA MELA@Hitex, Hyderabad

Seva Mela, attended by us for two days was really an awesome one. So many people visited abhaya stall and are very much impressed by the works done by abhaya. I also visited many stalls and interacted with many good people. Many people got impressed with the works and donated something they can do. Completely had a great experience with the visitors of our stall and also with some of the other stalls around. Thank you for giving me an opportunity for taking part as a volunteer in the stall. - **Sidhanthi Naga Natya, Coordinator, Seva Mela Stall.**

I am feeling very proud to say that i am a Volunteer of abhaya Foundation. This is the great Opportunity for us to look after the stall at Seva Mela. I felt very happy to see the response from the visitor's some visitors are feeling very happy by seeing our work. During leisure time I have gone through all the newsletters and when visitors at tented I have shown them the news letter and they felt very happy and excited. I explained each and every case we have taken up and many appreciated. I was very happy to see that under rice bucket challenge, 50 Kgs of rice was donated to abhaya. All together it was the great experience for us to visit all

the stalls and I have learn how to explain to the visitors and how to communicate well. - **Gopi Manohar, Coordinator, abhaya Stall, Seva Mela**

SEVA MELA is the only platform where all the views of each and every NGO can expressed. It was a moment of proud that I connected to ABHAYA there I can know what are all the services happening in the society by all the NGO'S. We could learn many things from all of them and we can implement good ideas for the betterment of society with ABHAYA. Finally its very useful to me - **Sudhir Kumar, Volunteer**

abhaya thanked each one who lend their hands for Seva Mela. 15 abhaya volunteers lead by Natya & Manohar gained a lot in 2 days. More than 400 visitors encouraged abhaya's work. abhaya honored YouSee Gunaranjan... also appreciated couple of NGOs passionately working for the needy. All together it was yet another experience for molding the team in a right direction. Jai ho

I want to thank Abhaya foundation members for such an honour to ASWA and i want to give assurance to all of you that all the members of ASWA will continue the same work but with same spirit and responsibility in the future also by clubbing hands with all the other NGOs who are serving their best towards society. - **Dhanesh**

Little kids from Burgula Village saved small coins in the kiddi Banks n brought it for giving away at Seva Mela. 100 villagers who are daily wagers... pooled 200kgs of rice and handed over to NGOs at Seva Mela. abhaya gave a Silver Medal for these 2 kids. .. also kisses. Very inspiring is it not???

On 1st October, we have visited Vigyan ashram ([www.vigyanashram.com](http://www.vigyanashram.com)) as a part our CSR program at Pune. I tried interacting with my senior GET team also. I explained both my team and my seniors regarding hunt the winter program, about Yuvasarathi and also about abhaya. Even CSR people also listened to it. Later they told me that they can contribute but not to program like hunt the winter and also GET's are not so much interested in spending their leisure time as they get only one day off during weekend. May be one or two may involve. They are also saying that whatever be the help, they want to do it in Pune

I have read abhaya newsletter, it has got lot of useful info . I forwarded to many of my contacts. I shared the seva mela message to my Hyderabad local friends and asked them to visit the same, if have time and for Yuvasarathi I am speaking with local engineering students at least twice a day to get them involved , this 14th November, they are planning to do some program in 1 or 2 govt schools. - **Deepak Palli, abhaya Volunteer, Pune**

## Rural Development Update

### Anand - Aadoni:

Anand, who is suffering with muscular dystrophy is planning to live on his own. Initially, he thought of taking treatment, but later understood that there is no proven medication for his disease. Now, he is thinking to lead a life on his own by taking daily news paper distribution. The estimation for 500 papers is about Rs.95000/-. When he sent a detailed cost sheet, abhaya told him to start it with 300 papers and the cost will come down to Rs.60000/-. Also asked him to pool some amount and assured the rest from abhaya. He spoke to all his relatives and friends and finally could pool Rs.15000/- and now waiting for the opportunity. His brother, who is working in a retail engine oil store will help him in this effort.

## There should not be excuses for not being a part of good work

Its been a long time since our last encounter. First of all my sincere regrets for the distancing myself from you and the good work being done so far. Whatever the reasons I might have, there should not be excuses for not being a part of good work. Anyways now that I have settled most of my issues and problems I would like to associate myself back again with you and contribute my part to the work being done. As a comeback step I am sending you a part of my first ever pay check and assure you to do my best for the betterment of people around us. If not for you I would not have inculcated this practice of helping myself by helping the people around me in a better way. Will stay in touch through mails and spread the message around. - **Bhargav Meda, USA**

When, I have gone through our News Update for 9/2014, I find there are many exciting news items this time. The foremost being our forthcoming CSR at Bengaluru in Nov'2014, and its Guest list --consisting of many luminaries. Besides, the Signature message by Mrs. Naga Susheela, D/o legendry Star of Silver Screen Dr ANR, is very appealing to those who are reading the news letter for the first time. In addition to these, there are many updates on our H.E.A.R.T, which shows the kind of sincere effort made by abhaya foundation, during the month that passed by. On the whole it has been a very informative, exhaustive news update and compliments to all those who made it possible. Keep moving forward, abhaya!!! - **EJP Prasad, Coordinator, abhaya**

Thank you for sharing the special abahya news letter. Once again, the pictures that speak of the Divine service with drive, commitment devotion and dedication for the people, by the people and to the people. It looks like that the fragrance is spreading through the country and in to the world. What I notice is now a lot of people are getting inspired by this selfless approach and results of their own efforts. It is Divine work and efforts of all of you. God has given each of us PRASADAM in the form of service to humanity. So also resources and like minded people. We need to share with each other and become petals of roses at His lotus feet that emanate fragrance and spread and in this process we come together to serve and derive happiness and grace. This is the only way the universe becomes a place of joy-love and happiness. Very happy to go thru the report and events, especially the September events that occurred on one single day...amazing indeed. Love from all of us here to all of you there dear Abhyanas -With Prayers, **Srinivasulu Huggahalli, Hyderabad**

Even though I am not a very active participant when I was in Hyderabad, I did my best directly or indirectly to be a part of the activities of Abhaya like "hunt the winter" and "home of happiness". Recently I have moved to Sweden and thought that this can be one of the ways to involve in service activities from here.

I was 2004 pass out from Brindavan Campus. Later I joined MCA in HCU. Through my junior Siva I came to know about abhaya. Especially when I saw some abhaya photos with swamis pictures. That assured me that it is a genuine foundation to help the needy and started indirectly participating in the activities. I am just

like a shadow volunteer. When I was in sweden I used to participate in the form of donations. Recently I moved to Sweden completely.

From then I was in touch with siva regarding activities. Last December during Xmas I have taken up the hunt the winter activity through TCS. My small message was published in newsletter also. I along with my friend came to abhaya to collect blankets. Luckily I have Siva as point of contact when required. Please do continue the spirit of service and I pray to Swami to give you the courage and strength to continue the same. Love, - **Vijayakrishna Cherukuri, Sweden**
