Salutations at Thy Feet of Swamiji

Beloved Swamiji...we feel blessed to have you amongst us guiding...gurading...goding us whenever there is a need.

Swamiji, we abhaya Chairman and other Board Trustees were planning to visit JIVA on Friday, the 28th Oct 2016 to offer our love and care at Thy Feet of Swamiji while many devotees celebrating HIS 60th Birthday.

Where as a short while ago, I received a divine call from Sriman Sathish, JIVA conveying me the command of Swamiji asking us to be at JIVA on Saturday, the 29th October to receive honour for the community work we are doing.

It is yet another divine coincidence and experience for me to receive such call when I was seeing the hard copy of the invitation sent by Sri Chinthala Ramachandra Reddy, MLA and browsing the site to know the schedule of Celebrations.

Swamiji, this shows how graceful and kindhearted you are to think of this Saamanya Maanava... I keep my self at Thy feet for receiving such love.

As per the advise, we will be there at your Sannidhi on 29th Oct at your feet.

**- With Love & Prayers, CS
Balachandra Sunku, Founder,
abhaya Foundation**

abhaya express its heartfelt gratitude to HH Sri Chinna Jeeyar Swamiji for bestowing divine blessings and honour to abhaya and its Mission on the eve of HIS 60th Birthday Celebrations

Jai Srimannarayana! Salutations at Thy Feet of Swamiji!

We all pray for your wellbeing Swamiji. I was pained to see the discomfort in your voice and weakness in your physical body. I can understand, the celebrations are all happening under your direct guidance. We can only appeal you to take care of your physical body so that people like us can be doing their good work happily.

Swamiji, truly spraking...your gesture of granting Mangalasanams to 60 People who are working for the common good infused life to many as that can be seen on the faces of those who received blessings.

Dear Swamiji, the event was well organised and handled by the team. For me personally and for entire abhaya family...you spending time made a heavenly difference. More than evening, individuals felt amazed by afternoon interaction. Each one expressed their happiness. I felt truly blessed by all that you are doing for me, please

give me opportunity to serve the Divine Mission enabling me to show my gratitude. You made all of us feel that we are HEROES in the society...but, Swamiji we are all ZEROS without people like you who are 1...we surely become worthy instruments once we the ZEROS stand by you "1". Keep guiding... guarding...goding us in doing the good work. - **Love & Life for the Country, CS Blachandra Sunku**

I am very much delighted to be there at JIVA on the eve of 'Shasti Spoorthi' of poojya HH Chinna Jeeyar Swamiji for witnessing the felicitation of our beloved founder along with the other great

people, who are serving with love for the needy and underprivileged and melting for the sake of mankind, by Poojya HH Chinna Jeeyar Swamiji. The good don't ask for the recognition for their good work, in fact their happiness is deep within the smiles/happiness of the people who were being served. However, recognition of the good work makes the doers, much stronger in doing their Godly work multifold and becomes an inspiration to the other people to be part of such good work.

As swamiji said in the divine discourse while granting HIS Mangalasanams, its not an award function, its just a 'Humble Recognition of the noble people' who are doing selfless service in the distinct fields. He recited an old saying 'God may not be present everywhere, so he created Mother, likewise, God has sent HIS men for doing god's own work in the world. HE was pleased by recognizing the blessed people for their good work though HE himself is a big inspiration for many people in doing good work in the world. - **CS B Kiran Kumar Gupta, Member - abhaya Foundation**

Swamiji blessed abhaya FOUNDATION by honouring the Founder:

I was shocked by the arrangements at the auditorium whose seating capacity is 2000 people. Swamiji went to each and every guest, VIPs, Awardees gathered in the auditorium like a common man, enquiring about their well being. Swamiji was down to earth. I was inspired with the words of Dr Sinithakrishnan, who runs NGO against women trafficking and further moved by seeing the person who was training disabled for different sports.

Finally the Founder, CS Blachandra Sunku... he with his communication skills, presence of mind simply electrified everyone gathered over there. He took each alphabet of "Sri Chinna Jeeyar" and shared the philosophy of Swamiji and HIS Mission. No other person who spoke in the meeting got such claps in the auditorium. Its all about the clarity of expressions when he spoke instantaneously that touched the hearts of thousands who gathered. I thought for a while as to why the people are spending such huge amounts to celebrate Swamiji Birthday. But, when Swamiji finally spoke... then I understood that, if such grate people honour those who selflessly working in the country, more people will be inspired to take up Service with Spirituality in the Society. I feel elated to be part of abhaya Team who visited JIVA on 29th October 2016 at Hyderabad. - **S Vijaya Bhaskar, Administrator, abhaya FOUNDATION**

Bala you made this day memorable. Thank you very much. Our pranams to Swamiji - **D Vijaya Bhaskar, Former Official Liquidator, AP**

Its our pleasure to be a part of your felicitation. We were delighted with your speech and also glad that we got Swamiji blessings .Thanks for giving us a wonderful opportunity. Best regards - **CS A Someshwara Rao, Company Secretary, GVPR Group, Hyderabad**

Really felt happy to see you receiving Mangalasasanam from Swamiji and you are always special, you proved it once again by explaining each and every alphabet in "Sri

Jai Srimannarayana! Smt B a l a c h a n d r a j i , congratulations! you spoke very nice in the presence of Srivaru - **Y Suryanarayan, Administrator, Divya Saketham, Hyderabad**

Chinna Jeeyar" Swamiji abhaya and you are blessed to have such divine opportunity. This shows how abaya team is working with out expecting anything and doing service to the needy. This increases your responsibility. I pray God to give you and the team a good health and strength to do more service to those in need. The way you organise the programs are always different and great thing is the way the team work for that to implement. - **Devaki Roopa Vasu, Director, Tergum Remedies, Hyderabad**

Mission Everest

A Tribute to Martyrs of Indian Army

AMAR JAWAN

Let those who come after, see to it that these names be not forgotten. For they who at the call of duty, left all that was dear to them. Endured hardships, faced dangers and finally passed out of sight of men. In the path of duty and self-sacrifice. Giving their lives that we might live in freedom

Fallen
but not FORGOTTEN

Raji Tammineni and Bharath Thammineni wish to scale Mt. Everest (29,029 ft) which is the world's highest peak. They will be the 1st Indian brother & sister to accomplish this feat. Their mission is tagged with the sacrifice of the martyrs who lost their lives in protecting the country and the countrymen. As a tribute to Indian army Raji & Bharath proudly carrying the Indian Flag on their shoulders to the top of the Mt. Everest. They need our support.

Bharath Thammineni B.Tech: A student of Sainik School, with deep love for adventure running through his veins, being known as the dare devil among his friends circle, would be the default choice for guiding the adventurous trekking. In the year 2015 due to Nepal earthquake, Bharath was back from 23,000 ft, but it could not stop his passion to face the Everest again.

Raji Tammineni MBA: Adventure freak with a lot of love and passion for climbing & had strong ambition to plant Indian Flag on all the highest mountains of each of the 7 continents along with his brother Bharath Thammineni. She was selected as a mountaineering guide by Telangana Govt. to escort 15 kids of Govt. Schools to the top of Mt. Kilimanjaro (2016). They hoisted Indian Flag on Aug 15th on the peak.

The Expedition Plan is April 2017
Corporate Sponsors Needed
They will stand as the Brand Ambassadors
CSR funds be given as it is an adventurous sport

Congratulate to Indian Kabaddi Team

The final saw familiar contestants in India and Iran with Ahmedabad's TransStadia Arena the setting for the much fancied event. It was the Kabaddi World Cup final and India were looking to make it three titles in three. For Iran, the target was to avoid making it three losses in three. But after 40 minutes of ferocious kabaddi, the previous sequence of events unraveled with

India beating Iran by 38-29 thanks to a heroic second half display.

For India, Ajay Thakur was the marquee man with 12 points and saw good support from Nitin Tomar from the bench with six points. The second half changed the order of events in the final, attended by a capacity crowd, with India coming from six points down to create an eight points margin for themselves before running away with things.

Everything you need to know about India's squad

India team for the Kabaddi World Cup is a fine blend of youth and experience and will be led by Anup Kumar. The final saw familiar contestants in India and Iran with Ahmedabad's TransStadia Arena the setting for the much fancied event. It was the Kabaddi World Cup final and India were looking to make it three titles in three. For Iran, the target was to avoid making it three losses in three. But after 40 minutes of ferocious kabaddi, the previous sequence of events unravelled with India beating Iran by 38-29 thanks to a heroic second half display.

For India, **Ajay Thakur** was the marquee man with 12 points and saw good support from Nitin Tomar from the bench with six points.

The second half changed the order of events in the final, attended by a capacity crowd, with India coming from six points down to create an eight points margin for themselves before running away with things.

The sport of Kabaddi has seen a major bump in popularity, thanks to the four seasons of the Pro Kabaddi League. The sport is no longer an unknown entity and the team picked to represent India at the World Cup boasts of many familiar faces. A quick look informs us that composition is of five raiders, five all-rounders and five defenders. The Anup Kumar-led unit is a fine blend of youth and experience. Before they start trading points on the mat, here's a quick lowdown of India's squad for this edition.

Anup Kumar: A two-time Asian Games gold medallist, is one of the finest raiders in the sport. The 32-year old led U Mumba in the Pro Kabaddi League and was instrumental in the Mumbai outfit winning the season 2 of the tournament. Anup, who will lead India in the mega event, was awarded as the most valuable player in the first season of PKL. Season 4 however was not good as U Mumba failed to make the knockouts. Anup is also a Arjuna awardee, and a Deputy Commissioner of Police in his native place of Haryana.

Manjeet Chhillar: Chhillar, who is named as the vice-captain, has been one of PKL's most consistent performers. Manjeet was a wrestler initially but had to abandon it after sustaining a nose injury. The 30-year old all-rounder has played for Red Bulls and currently leads PuneriPaltan in the Pro Kabaddi league.

Hooda: Hooda, 22, is one of the youngest, and finest, of the team. Hailing from Rohtak, he endured a difficult childhood before emerging into a talented raider. Deepak is also known for his solid defensive skills.

Dharmaraj Cheralathan: Cheralathan, Patna Pirates player, is fondly referred to as Anna, and is one of the best defenders in the history of Indian Kabaddi. The 41-year old veteran will serve as a defender left corner in the present Kabaddi world cup national squad 2016.

Jasvir Singh: Jasvir, the 32-year old raider, was a member of the Indian squad that won the gold at the Asian Games two years ago. With the dangerous Scorpion kick being his signature move, he is known to be a bit of a maverick. Jasvir leads Jaipur Pink Panthers, who won the inaugural season of Pro Kabaddi League. Jaipur Pink Panthers' under his captaincy finished as runners-up in the fourth season of PKL.

Rohit Chhillar: Rohit, who hails from Nizampur, was the most expensive player in Pro Kabaddi League season 4 with the Bengaluru Bulls shelling out Rs 53 lakh for his services. He has been setting the mat on fire with his sensational performances in the league which helped the 22-year old break into the Indian team for the South Asian Games, where he helped India win Gold.

Kiran Parmar

Parmar is an experienced defender and raider who represented Bengaluru Bulls in PKL. Parmar, who started his career at an early age by representing his school in national tournaments, got injured during season 1 of the Kabaddi League. Being a specialist in left corner touch, Kiran is expected to play a key role for the Indian team.

Nitin Tomar: Tomar has recently emerged as a shining new star of Indian Kabaddi. Nitin who hails from UP is currently a member of

Manjeet Chhillar led team- PuneriPaltan.

Pardeep Narwal: Star player for the Patna Pirates, started his league career with the Bengaluru Bulls. The 19-year old raider has been one of the brightest players in the League, finishing the fourth edition as the most valuable player of the tournament and leading his side to second title on the trot. In only 38 league appearances, he has amassed 256 raid points. Hailing from Sonapat, he is the youngest player in India's squad.

Surender Nada: Nada is regarded as one of the best left corner defenders in India, has made a name for himself with that quick 'ankle hold'. The 26-year old athlete comes from Haryana and has been a part of U Mumba and is currently a regular member of Bengaluru Bulls. In 49 league games, he has scored 138 defence points.

Sandeep Narwal: He has made most of the Pro Kabaddi League. He was a regular member for the Patna Pirates side for the first three seasons of the league. Ahead of Season 4, he moved to Telugu Titans after they bought him for Rs. 45.5 lakhs, making him the second-most expensive player in PKL history. While the 23-year-old is widely regarded as an all-rounder, his primary remains strong defending. He was adjudged 'Best Defender' of PKL in season three, and has 161 tackle points in the PKL. Sandeep made his national debut at the the 2016 Asian Games.

Rahul Chaudhuri: Chaudhuri, captain of Telugu Titans, is the most prolific raider and known as the 'Poster boy of Kabaddi League'. He has been with the Titans for all four seasons of the league. The 23-year old raider is known for his speed off the blocks and agility. Rahul has often single-handedly changed games. He leads the raiders list with a 482 points in 57 games in the PKL. He also became the first athlete to score more than 100 raid points in a single season in the history of the League

CSR Update

NSE-listed companies' CSR spend swells 28 per cent to Rs 8,345 crore in 2015-16

As many as 920 companies listed on NSE together shelled out Rs 8,345 crore towards corporate social responsibility (CSR) activity in 2015-16, a surge of 28 per cent from the preceding fiscal, with

maximum funds going into education and health, which is higher than 895 companies that collectively spent Rs 6,526 crore in the preceding fiscal.

Besides, contribution towards the Prime Minister's relief fund saw the maximum increase (418 per cent) to Rs 701 crore in the last financial year to Rs 168 crore in 2014-15, according to a report by Prime Database.

Education received the maximum amount (Rs 2,042 crore) followed by healthcare (Rs 1,638 crore), and a huge Rs 1,782 crore was made under 'other matters'. Areas such as child mortality, improving maternal health, promotion of gender equality and social business projects saw negligible spend. Importantly, there could be overlap between the different schedules. For example, building toilets for women can be classified under healthcare as also under gender inequality.

In terms of absolute CSR spend, Reliance Industries emerged as the top company, having spent over Rs 651 crore, followed by state-owned NTPC (Rs 492 crore), ONGC

Freshmen's Valley brightens up Diwali for villagers of Bahjoi

Premium dairy brand Freshmen's Valley has taken yet another step towards fulfilling its commitment towards developing the dairy farming community and creating a sustainable socio-economic ecosystem.

The brand organized its first ever income generation event by way of Diwali Diya decoration activity which involved skill development and income generation for 25 youth in Bahjoi region. During this festive season, the brand engaged and trained the students of IT centre at Bahjoi. The students were taught to create Diwali decorations. All the raw materials used in the entire activity were arranged and given to the students by the company at free of cost. The students were given a platform to show their creativity and skill in producing beautifully decorated Diyas. The students across Bahjoi village participated in this 10 days long activity which culminated on October 24, 2016. Over 5000 Diya's were decorated and sales proceeds given to the youth for their efforts and hard work.

Speaking on the occasion, Ms. Shalini Choudhary, Director, Freshmen's Valley said, "We, at Freshmen's Valley believes in Corporate Social Responsibility as an integral part of our company and we are committed to give back to the local community. The company is aggressive towards creating a sustainable and better socio-economic ecosystem for the dairy farming community and their families. I feel that by empowering the youth, we will create a stronger and better environment for each family."

Indiabulls Provides 1800 Free Cleft Surgeries in India Through CSR Partner Smile Train India

Indiabulls

Indiabulls Foundation, the CSR arm of Indiabulls Group, announced its 3rd year of partnership with Smile Train, world's largest cleft charity, to support 600 cleft lip and palate surgeries for underprivileged children in the country, totaling to 1800 since 2014. In India, 35,000 children are born with cleft lip and/or palate every year, and most of them cannot afford the surgery and are forced to live a life of isolation.

Our main objective is to do meaningful work with measureable

output and maximum impact on the society. A simple 45-minute cleft surgery immediately transforms the life of an individual and this has motivated us to adopt the cause. With operation excellence and a large network, Smile Train has been a great partner for the last two years and that's one of the main reasons to take the cause up in 6 highly sensitive cleft prone states in India," said Mohammed Ali Saleem, Director - CSR, Indiabulls Foundation.

Over a million children in India continue to live with unrepaired clefts. Smile Train's sustainable model provides training, funding and resources to empower over 300 doctors to provide 100% free cleft repair surgery and comprehensive cleft care in their own communities across 110 towns and cities.

Together, this CSR initiative has impacted communities in Maharashtra, West Bengal, Madhya Pradesh, Uttar Pradesh, Orissa and Chhattisgarh. Speaking about the association, Mamta Carrol, Vice President and Regional Director-South Asia, Smile Train, shared, "Indiabulls Foundation has been one of our strongest supporters and we look forward to heal clefts and spread the power of a smile. A child born with a cleft needs holistic treatment going beyond surgery and our aim is to bring the best cleft care to communities, free of cost. We have helped provide over 475,000 cleft surgeries in the last 16 years and look forward to the support of committed partners like Indiabulls Foundation to reach out to the million children who still wait for this surgery."

Despite loss, RINL not to cut spending on CSR projects

The Visakhapatnam Steel Plant - Rashtriya Ispat Nigam Limited (RINL) is passing through difficult times like most other steel plants at present, and it has incurred net loss of Rs.1,421 crore during 2015-16. Yet, the company is not reducing its spending on corporate social responsibility (CSR) projects, according to official sources. The RINL spent Rs.8.75 crore on CSR during the last fiscal. During the first half of the current financial year, the company has spent nearly Rs.5 crore. It is said that Rs.4 crore more will be spent by the end of the financial year.

The RINL is concentrating on sanitation under Swachh Bharat campaign, health and education infrastructure. The company, during the past five to six years, has spent Rs.126 crore under CSR activities in Visakhapatnam and the nearby districts.

Dreams become bigger with Samsung Smart Class

Samsung India unveiled a new television and digital campaign for its citizenship initiative 'Samsung Smart Class,' capturing the engaging and emotional success story of a young village boy, Sadanand Ugale, who secured a study trip to Australia from Jawahar Navodaya Vidyalaya in Aurangabad, Maharashtra.

The film (#SapneHueBade) builds on Samsung's commitment to harnessing its legacy of innovation to positively transform communities and create a better life for people through its citizenship initiatives. Launched in 2013 in association with Navodaya Vidyalaya Samiti, Samsung Smart Class is the company's flagship citizen programme in India, currently available in 373 Jawahar Navodaya Vidyalaya schools run by the Ministry of Human Resource Development, Govt of India, and benefitting over two lakh students.

The flagship programme aims to bridge the digital gap between rural and urban India and provide equal opportunities for quality education to children from all backgrounds. Over 7,400 teachers have been trained how to use interactive technology to teach.

The four-minute film is an emotional story inspired by Sadanand Ugale, a boy from rural Maharashtra. He was a student of Jawahar Navodaya Vidyalaya in Kannad (Aurangabad). The film is told from his father's point of view and revolves around his longing for the only son. It's only when the father visits his son's boarding school that he discovers the immense difference that Samsung Smart Class has made to his son's vision and the real reason behind him staying away from home. The father is not only overwhelmed but also surprises the audience with his unambiguous approval in the end. The film has been pledged by Cheil India and is directed by Shashanka Chaturvedi (Bob). Good Morning Films is the production house for the campaign.

GHMC invites private operators to build toilet infra in city

The Greater Hyderabad Municipal Corporation (GHMC) has invited private operators to partner with them, through Build, Own and Transfer (BOT) basis to build new toilet infrastructure in the city.

Toilets are being designed with separate entrances for men, women and ramps for physically challenged, keeping the maintenance standards in mind. In this connection, GHMC commissioner B Janardhan Reddy sought the support of private operators and also requested them to take up providing public toilets.

In the first phase, GHMC invited proposals for establishing new toilets at 25 locations, which have been found suitable for public usage as well as feasibility of use and pay services.

According to sources, GHMC will provide water and sewerage facilities. Request for proposal (RFP) for 30 Prefabricated toilets has also been announced. Private companies have also evinced interest in installing urinals and toilets as a Corporate Social Responsibility (CSR) initiative. Access to private toilets will also be provided at over 300 petrol bunks in the city.

"The GHMC's effort is to provide good quality usable toilets to the citizens. This is also an important parameter for grading cities under the "Swachh Survekshan" by the ministry of urban development," he added.

Magical meal for a good cause

There is no better time to give back to the community than now. With more and more companies taking their corporate social responsibility programmes seriously, such initiatives provide employees with a sense of satisfaction for having done something good, while interacting with people and kids who end up inspiring them more than anything.

With this ideology in mind, Disney – already known for spinning magic into the lives of kids and adults alike – has been conducting an interesting CSR activity week annually. Here, called the India VolunTEARS Week Disney India's Citizenship takes up social causes to spread cheer and joy in the surroundings and society. The initiative invites employees to come forward and VolunTEAR for the selected cause.

This year, the team tied up with the India branch of the NGO Stop Hunger Now, which is an international relief organisation that co-ordinates distribution of food and other life-saving aid around the world, to feed hungry people.

"At Disney, we strive to make a positive impact on the environment, our workplaces and the community we serve. Throughout the year, Disney VolunTEARS come together to inspire kids and families in neighborhoods where we live, work and play. Together with Stop Hunger Now, we hope to create a brighter tomorrow," said Jyotika Ahuja, Director, Corporate Communications and Citizenship, Disney India, in a statement.

Between September 26 and 30, around 400-odd employees of the company from offices across Mumbai, Delhi and Bengaluru have been volunteering their time to pack meals for kids and families from under-privileged backgrounds. Each meal comprises of dry uncooked rice, dal, dehydrated vegetables and a micronutrient blend of 23 essential vitamins and minerals. The team has pledged to pack 1.45 lakh meals by September 30, and everything seems to be on track to see that goal fulfilled. "It's really encouraging and satisfying to witness the employees step up to the cause and we are glad through the event we are making a difference to the lives of a significant number of individuals" said Dola Mohapatra, Executive Director, Stop Hunger Now, in a statement. - **Collected, compiled & reported by: CS B Kiran Kumar Gupta, Member - abhaya Foundation**

HYUNDAI Plans to develop a Dream Village

Hyundai Team to develop GodhumaGuda village as abhaya Hyundai Dream Village. The team lead by the Founder of abhaya CS Balachandra Sunku and Mr Yoon, Director of HMIE visited Godhumaguda, Tharur Mandal, Vikarabad District which is about 60 Kms from Hyderabad City. This village is short listed from 8 villages seen by the volunteers in 5 districts of Telanagna during the last 2 months. Based on the parameters like, distance, needs, cooperation, remoteness etc., Godhumaguda is chosen to work on long term basis by abhaya Hyundai Teams.

The visit by abhaya & Hyundai teams made a wonderful impression and created a positive vibration all over the village. Mr Yoon declared in Grama Sabha (Village Meeting) that abhaya Hyundai will now be working on developing the village with a long term vision.

Venugopal&Ramsastry from Hyundai along with Prem, Srikanth &Balavanth from Sri Sathya Sai Community Centre, Kerelli were instrumental in selecting the village. Swarupa, Thukaram, Ramdas, Mahipal and scores of other village heads and leaders were there in the meeting. MDO SmtSabitha, Village Assistant, Secretary were also there in the meeting. The assurance by Hyundai Yoon made everyone feel happy about their future. A detailed plan was discussed in the meeting by the Founder CS Balachandra Sunku& Mr Yoon. Expectations were also set in the meeting.

abhaya - CCL CSR Update

abhaya CCL Women Empowerment

On 1st of October, we visited Dadupally III Batch students. We have started this batch on 10th August with 34 students, but 28 members will be completing their course by October. 22 members from this batch took the sewing machines provided with subsidy by abhaya Foundation & CCL. We called the students on 8th October to hand over the certificates on completing their course successfully. Sewing machines were handed over to them through Smt Saritha Murali & Ms Sailatha, MBBS Student explained various health topics to the rural women who gathered on the occasion.

Training classes for the new batch is in progress at Ibrahimpatnam. This was started on 14th September with 32 members. They learned about various stitching till now, and yet to learn how to stitch shirts and pants.

We thought of starting Jute bags with 20 members, but later decided to go with 12 members as they alone gave confirmation with a donation of Rs. 2,000 each to abhaya stating that they would like to stand by the unit. abhaya foundation took one room on rent to run this Jute bags group. There are 2 jute machines, cutting machine and 5 normal sewing machines being arranged in the centre. The estimated cost of setting up such centre is about Rs. 1,00,000/-

We thank CCL for providing an opportunity to empower the rural women who were given tailoring classes previously. This move will surely make them to feel confident about their living. We inaugurated the Centre at SC Community Hall on 22nd October, 2016. Smt Kavitha, Siri Jute Creations, Hyderabad along with Smt Jyothi, Councillor, 15th Ward, Ibrahimpatnam were the Guests for the event and SmtKavitha assured her best support in training, empowering these women going forward.

abhaya Foundation trained about 70 women on tailoring at Dadupally. There are no new applications from there. Recently, we have received a request from the Surpanch of Rangapur village to conduct these classes at their village. 30 women were submitted their applications for the first batch. The plan is to start the course in the month of November 2016.

About 250 women learned tailoring at abhaya CCL women empowerment centres and more than 200 members got new sewing machines for them.

4 girls completed Computer training in this month and Certificates were given to them after their course completions. We got another 4 new applications for Computer training.

I am trying to motivate village youth and women to join the empowerment initiatives of abhaya Fondation. – **Ch Manga, Campainer& Coordinator**

GSPV Trust

GSPV Trust founder Sri Veera Reddy is native of Kogatam village. With his hard work and discipline, he is now at pinnacle. But he still remember his village and trying to develop the village by setting up this trust.

From this trust they started a primary healthcare center and Providing medical care to the villagers. The great thing is all these services are free of cost and they are even providing medicine. The trust providing free medicine every month to the patients suffering with long term diseases. It is conducting a free eye check up for the poor villages. Trust is taking up surgeries for the needy patients and standing by them.

Another major activity of GSPV trust is women empowerment center. This center providing free tailoring training for the rural unemployed women. Apart from training them, trust also giving them a sewing machine at free of cost after their course completion.

There is no exaggeration, if we say that this trust is always there for the villages, whenever they face any health issue. I am fortunate to be part of such group and I am really proud and happy to be here. -

abhaya's Youth Empowerment @ Cheitanya Ashram Karnataka

I had been to Chaitanyananda Ashram in Bengaluru on a weekly visit. I met the computer course students/trainees, morning batch and their instructor Ms MeenaKumari. When enquired they said they are able to follow instructions given. Later met the tailoring class students/ trainees and two of their instructors viz. Ms Manjula, Ms Naga Ratna. The students showed their notes and the work they did with pride. They said though they were little hesitant and confused first 3-4 days, they started enjoying their work.

An announcement was made regarding Abhayas partial contribution for buying sewing machines to them, around 11 of them were willing to own. Exact number will be furnished in 2-3 days since there were some absentees. In general, it was a good & satisfying interaction with all the trainees. They said they feel different and confident now after joining these courses. Spent some quality time with Sri Nanjundeswara of the Ashram, when he explained in detail about their programmes - **Shobharani, Retd GM, Hyderabad Metro Water Works - Reported from Bengaluru**

Dear Sri Nanjundeswara, We are in the process of publishing the news letter for October month. Please provide complete report of abhaya Cheitanya Combined initiatives by 25th Oct. Further,

1. Please keep the abhaya Cheitanya Banner in the hall.
2. Share best photos of Tailoring, Driving and computers for our records.
3. please provide status of driving and provide the copies of Driving Licences.
4. Please confirm your participation in abhaya Annual Event on 6th Nov at Blore.
5. Please note that with such conformation alone we can arrange sweing machines with a subsidy of Rs.2000/-. By 25th we must have clarity so that we must place the order. 6. We dont want see the Difference of opinion for doing good work amongst us.
7. If you think you can handle this on your own, you are welcome to do it so that we can stop funding it.
8. 21st October, 2 months over. By this time all the courses could have closed. Lets know the way forward.

Please be aware of our calls, messages, volunteer visits etc., are all for ensuring the good work happen. Please act in the best interest of good work. - **CS Blachandra Sunku, Founder**

abhaya Home of Happiness

Latest Update

Inmates: As the inmates are old and prone to infections and disabilities, there are some or other minor health problems for them always. Dr. Sulapani, kindly visiting abhaya Home of Happiness every month and checking up the health condition of all the inmates in spite of his busy schedules at the hospital, taking time for abhaya Home and extending their service for the benefit of old inmates at Home.

Balaraju got an acne, though he was taking medicines, he with ignorance used to wash that repeatedly because of unbearable itching. The acne turned into wound with infection. Doctors suggested to have a surgery for that wound. Padmavathi also complaining of piles issue which is bothering her physical strength. Though the founder is planning for that surgery from long time, it got delayed due to various issues. Both Balaraju and Padmavathi were admitted at Rajya Lakshmi Hospital and Dr. Sulapani operated them. Both of them are recovering now. Padmavathi got discharged from Hospital and back to Home. Appa Rao (75) another inmate took good care of these two at Hospital, by cooking for them. We thank him so much for the timely help. All other inmates are fine and healthy. Little girl Swapna is active now. Kameswara Rao taking care of her and feeding her, playing with her and teaching her to speak small words. We feel happy when Swapna speak small words like 'Ammamma'. All the visitors bless her to have a good health.

Staff: abhaya foundation appointed a new administrator Vijaya Bhaskar, an IAS aspirant. Though the environment and people at Home are new to him, he is slowly getting into the duties and taking care of things. He is taking Computer and English class to NAC students and Overseeing all other activities. As the foundation activities are increasing day by day, they appointed Vijay as administrator to handle a few responsibilities. We all assure that we cooperate with him and help him to the extent possible.

Ravi and his catering staff are serving all the inmates along with the students. Daily more than 60 people are having their meal at Home. Sukanya and Madhu left their job with personal reasons and went back to their village. As the home is at little far from Ibrahimpatnam, we are facing issues in getting good people to work at Home. People, who are used to the City life are reluctant to stay at abhaya Home. Sowmya and Viswanath are having troubles in handling all the responsibilities regarding upkeep of home now. We are searching for good people to work at Home of Happiness.

Facilities: With High Power fluctuations during heavy rains lashed the area last month, all the electrical & electronic equipments got damaged. Internet devices, CC Camera Device and Most of the computers were damaged with power fluctuations. Mr. Surender, Electrical Engineer from Bangalore visited abhaya Home and estimated the entire loss from all sides. All these were repaired and also installed precautionary devices to avoid such problems in future. Team lead by Mukthar Ahmed, an Electrical Engineer did all the repair and electrical work at Home. In total, the estimated loss to abhaya Home is close to Rs.5,00,000/-

With the support of My Home Industries, additional toilet block at abhaya Home was constructed and the same was inaugurated by CS. B. Muralidhar Rao, Company Secretary, My Home group and Smt Saritha Muralidhar on 8th October 2016. Though he is very busy with hectic schedules at work, spent his value time at abhaya Home, we sincerely thank him for his presence and convey our gratitude to My Home Group for their generous donation of Rs. 3,00,000/- and CA JK Somani for his kind donation.

As promised on the Foundation stone laying ceremony, Sri G Srinivas, Maharshi Rice Mills, Miryalaguda sending rice bags for all the inmates every month since last 4 years. CS P Venkatesh has celebrated his father's 60th Birthday in a different way. He donated groceries to the equal weight of his parents for Home of Happiness. Further Sri Venkatesh, Pharmacist consistently providing us all the needed medicines to abhaya Home.

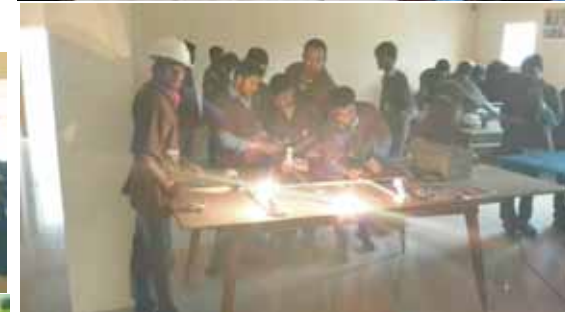

abhayaHYUNDAI Driving School

14th Batch of driving is in progress now. It was started with just 8 students last year and in this one year more than 150 members got their licenses. Apart from providing good training Hyundai team is also providing the students an opportunity to visit their campus and learn various new things related to mechanism. The driving school students visited Hyundai work shop and Hyundai Campus at Hitech City. Hyundai team is also looking to provide suitable employment for worthy candidates.

Classes are going on for third batch of Electrical House Wiring students and they all are used to the environment and settled down. Apart from learning the course, they also participating the service activities of abhaya Foundation. This batch was started with 36 students and as of now there are 32 students after 50 days of commencing the course. This is very less drop out ratio compared to any other NAC center. Generally, the drop outs will be more in all other centers. We think the reason for retention is the positive environment created by us at abhaya Home. We are arranging Breakfast, Lunch and Dinner as per the revised menu given by NAC which is like marriage menu for the middle class people as there is sweets, snacks and fruits in the menu, we wish all of them get settled in good jobs with such love and care provided by Central Govt and abhaya. We wish to have many such batches trained at abhaya NAC training centre. The faculty Venkatesh deputed by NAC staying at abhaya Home with his personal interest and taking good care of NAC Batches with the support of Naresh. Both of them are trying their best to deliver the curriculum. Sri Sathyanarayan, Addl Director, NAC, inspected the ongoing EHW batch and spoke to them about various life skills. He said that one should not forget one's difficult times and every one can reach heights in life by working hard.

Founder, always finds a reason to teach values to the students whenever he visit abhaya Home and the sessions are always informal, jovial, thought provoking in nature. Vijaya Bhaskar taking regular classes for English & Computers. All the students have participated in the swatch Bharath - Swatch Campus program initiated by NAC and cleaned the campus.

Women Empowerment Center

Till date, more than 250 women from three different villages were trained in tailoring. Abhaya foundation has given them sewing machines at a discounted price. Dadupally training batch completed their course on 10th October and abhaya foundation has handed over them the course completion certificates along distributed machines to the interested candidates. In this event, founder presented new saris to the tailoring trainers Malliswari and Kavitha, campaigner Manga, Care taker Sowmya along with me. We all felt happy and celebrated Durga Puja with those new clothes. abhaya supported MBBS student, Sailatha spoke on some general health tips to the rural women. As of now, another batch is in progress at

Ibrahimpattam village and this will be ending on 14th November. Founder visited the tailoring training centres at Ibrahimpattam and Dadupally and reviewed the training progress and spoke to all the trainees about Life Skills.

To provide employment to rural women, abhaya foundation started Jute Bags industry. Keeping the difficulties in reaching Home in mind, founder started this industry in Ibrahimpattam at a rented premises. This will be easy for all the women to go and work there. Abhaya foundation has inaugurated this Jute Industry on 22nd October and Smt Kavitha from Siri Jute works graced the occasion with their presence and inaugurated the new machinery at Ibrahimpattam. She kindly guided all the members on how to make the bags and promised to extend their support for abhaya CCL women empowerment activities. This industry will be a platform for unemployed women to stand on their own and earn good salary for their work.

Visitors:

This month, a batch of 25 members from TASL (TATA Advanced Systems Ltd.) visited abhaya Home. This is part of their CSR activity and the team spent about 5 hours with old aged inmates. They talked to all with love and enquired about their well being. All the inmates felt happy for their visit and they cut a cake in the end. Sri Shankar from the team shared that abhaya Foundation is providing great facilities to the inmates at Home of Happiness. They distributed clothes to inmates and left the campus with loads of happiness.

Sri G. Vidya Sagar, Trustee, abhaya Foundation took a session to NAC students explained his experience in his life and inspired students to achieve great heights in life with hard work and dedication. Vijay Bhaskar, an IAS aspirant from Srikakulam district briefed students about his aspiration towards the social service by means of becoming IAS officer and inspired students. Founder celebrated birthday of Civil Contractor Venkatesh, who taken up the works of constructing new toilet block.

Trustee, CS G Raghubabu visited abhaya Home along with his friends from NCC Urban Apts, Hyderabad. They are kind enough to interact with inmates and students present at home. Their visit made good mark in the hearts of many.

Sri Ramachandra Rao (Educationist), Sri PSR Murthy (abhaya Hyundai Motor Driving School), Smt Kavitha (Siri Jute Creations), Sri Lokesh (Electrician), Sri Karthik (Solar Consultant, Blore) are some of the visitors to the home during last month. We thank them for their visit and support.

Mr. Venkata Ramana, JTO BSNL visited abhaya Home of Happiness and verified all the technicalities to setup R.F. antenna for Internet. He promised that he would try all the possible means to establish R.F antenna and told that he will give wireless telephone set.

I am Kota Laxminarayana from Tanuku, West Godavari district. I am pursuing CS in Digvijay Coaching Institute, Hyderabad. Middle class family and my father Sri Gopala Rao is suffering from severe back bone problem. though I qualified in CPT CA, I worked in idea cellular for 2 years for need of money. I earned around a lakh and came to Hyd to pursue CS and living on my own. I came to know that my father needs an emergency operation which costs 105000. He used to work in factory before and earned 6K pm. PS Rao sir advised me to approach abhaya for help. Please help me sir - **Kota Lakshminarayana, CS Student, Digvijay Coaching Institute, Hyderabad**

Update: Gopala Rao being admitted in Rajya Lakshmi Hospital for surgery and Dr Pravin & Dr. Sulapani has done surgery for him at Vaikhana Hospital, Hyderabad. He is recovering now. With the consent of donors including CS PS Rao, abhaya paid the expense from funds pooled for Mission Rizwan to this case.

Dear Sirs, father's operation is done by Dr Praveen & Dr Sulapani. They said not to worryem. I really thank you and abhaya. Am indebted to you all in my life! I will become member of abhaya and do service for society. Really I mean it sir. I didn't met people like u In my life. No relatives helped us in family though, everyone is settled, where as you stood by me with care, though you dont have relation. Thank u sir. - **Kota Lakshminarayana**

Seeking Help for a young daily wager, Santhosh, the only earning member in the house, who was hit by a two wheeler while on way to work last week. I took him to a hospital run by a trust. He has broken his right leg and I was told that he fragmented bones. He needs an operation and a rod to be inserted. The cost of the rod alone is 30000. I have paid his admission cost which came to approximately 5000 and another 10000 as contribution for the surgery. Need to raise another 20000. Any support will be welcome. Every penny matters. Please help him. He was operated in Hospital at Hadapsar, Pune. He is SC not that it matters but makes him more vulnerable in terms of the opportunities he has had or will have post this accident. He has two young kids 1 and 3 years old. That this injury should not be debilitating. Give him the best possible chance of going back to earn after 3-4 months or whenever he goes back to work. I just hope that will be possible." -

Update: abhaya paid the balance Rs. 20,000 to the hospital and the surgery was performed successfully. We thank the abhayans CS Ravi Reddy, Saketh & SG, who donated generously for Mission Santosh.

Mission Santanu (Gurgaon, Haryana)

My father, Mr Santanu Kumar Das(66 yrs), had a massive brain stroke on 7th September, 2016 at around 3 PM. in Gurgaon. He had a right parieto-occipital haematoma (collection of blood) of around 100ml. A surgery was performed the same day in Artemis Hospital, Gurgaon, Sector -51 where a piece of skull was removed to relieve brain pressure. He has been in coma since then. Even after the surgery, he has suffered several complications (tracheomalacia- weakening of tracheal walls used for respiration). Recently, he had to undergo 2 dialysis procedures. He has been in ICU since the surgery.

Currently, he is a little better. They are stabilizing the vitals. Hopefully, the signs of progress will continue in the coming days. Financially, it's a huge burden as my father, in spite of having retired from Central Government, is not covered under any insurance. Even I had not insured him in my office scheme. The total bill till now has crossed 20 lakhs and still escalating with passing each day of ICU stay. We have managed to pay around 13 lakhs from savings. However, as the length of hospital stay is indefinite and the rehabilitation process is going to be a long and expensive one, there is no cost estimation so far. The doctors say it can range anything between 40-80 lakhs depending on the patient condition. Given this situation, we would be really grateful for any kind of help and support. – **Satarupa Das, Accenture, Gurgaon**

Mission Angel (Hyderabad, Telangana)

I would like to inform you that my wife has delivered a baby girl in the 7th month at Apollo hospital on dated 22.08.16 with low weight condition i.e. 850 Grams with immature organs. Subsequently doctors have been providing the Medical treatment from that day onwards in Neonatal Intensive care Unit. Since then, we all were anxiously passing each day by praying God and doing Puja.

Recently during the month of October'16, she got affected by Pneumonia and was put under high Ventilator settings for 10 days by the doctors and she recovered from that. Since then, her condition improved slowly and now she is surviving with minimum oxygen and her weight is 1700 Grms at present. We hope that she will be discharged in another 10-15 days due to blessings and good support from so many good people like you. We thank abhaya for the help in this regard and your good gesture will be always remembered by us.

As of date, the amount being spent is Rs.17,00,000/- out of which Rs.6,00,000 we got from US Crowd Funding, Rs. 2,00,000/- insurance cover, Rs.1,00,000 from abhaya and 6,00,000 from our sources. We are further in need of Rs.2,00,000/- in next 20 days. We seek your support in the said regard. - **K Srinivasa Rao**

Mission Rizwan (Mumbai, Maharashtra)

Rizwan A. Razzak Nachkhani, aged about 21 years residing at 302 Patel Apartments, Waza Mohalla, SoparaGaon, Nalasophra (West), Mumbai has been diagnosed with Dilated Cardiomyopathy. He is listed for Cadaveric Heart Transplant under Dr. Anvay Mulay at Fortis Hospitals, Mulund, Mumbai. PS Rao & Associates, Hyderabad took up the mission to pool fund and pooled close to Rs 1.5 lakhs from PS Rao & family and friends. But on enquiry, we came to know that they got all the funds needed for the surgery, so closed this mission. But, unfortunately, the boy later died in spite of necessary funds on hands due to prolonged illness. With the consent of donors, the amount pooled for the boy was used to save Gopal Rao, F/o Kota Lakshmi Narayana, CS Student, Digvijay Coaching Institute, Hyderabad who sought the help for his father's treatment- **abhaya Team**

Mission Unnamed

The treatment of the baby is started, doctors transplanted her father's stem cells and she is under observation for a period of one month in ICU, I will update the status of the baby as and when I get from my brother. Thankyou so much for your support abhaya foundation. - **CA Nazeer Ahmed, Hyderabad**

Mission Dimple (AP)

I, on behalf of my family members would like to thank abhaya foundation for their kind help and support of Rs. 2,50,000/- to CMC Hospital towards my daughter's surgery. We are very thankful to abhaya foundation. Thank you so much for all supporting

us in saving our child. Doctors are planning to do the operation in the last week of October, I will keep you posted the updates. - **M Viswanath, f/o Dimple, CMC Hospital, Vellore**

Mission Hari Prasad (Hyd)

Hari Prasad is regularly going to Physiotherapy sessions at Sweekar, Secunderabad. Still they haven't got their Bus Pass, they approached District collector and submitted an appeal to update their address and issue a bus pass. It is still under process. - **abhaya Team**

Mission Teena (Ahmedabad, Gujarat)

My daughter Teena Choudhury is under treatment for Leukemia (Blood Cancer) for the past 15 Month. She is visiting NTR Cancer Hospital regularly for checkups.

Once in every 2 months we

travel all the way from Gujarat to Hyderabad, approximately 1100 kilometers for the medical checkup at the Hospital and we are very much thankful for you for providing all the necessary facilities for her treatment including the travel expenses and accommodation. With persistent effort of Doctors and continuous support from abhaya, the treatment giving good result and Teena is the healthy girl. She is very active now in all the activities and also in studies. She is studying in second standard. We thank you for your kind support. - **D Laxman Choudhary, Ahmedabad, Gujarat**

Mission Anjaiah (TS)

Anjanna got discharged from Rajyalakshmi Hospital after 5 months of hospitalisation. It is yet another miracle. Dr Sulapani took care of him at Rajyalakshmi Hospital with our reference. As of date we have spent close to Rs.2.5lakhs for his treatment. Anjanna conveyed his gratitude to abhaya and its board trustees for the support given to him during the crisis.- **abhaya Team**

Mission Manjula (Telangana)

Rajkumar & Family took care of Manjula (19) since 3 months with lots of prayers. She slowly and miraculously recovered. She is quite alright except an issue with eye lids opening on her own. abhaya continuing its monthly support and guiding them whenever and wherever required. The family visited Viajayawada Kanaka Durga Temple and offered their heartfelt gratitude to Goddess. We sincerely hope that their prayers will be surely be heard by Goddess Durga. Rajkumar, the father of Manjula is very caringly taking all the possible measures to save his daughter. - **abhaya Team**

Mission Durga Prasad (Kakinada, AP)

Durgaprasad, without informing abhaya... traveled to Hyderabad with a complaint of pain in the chest. The doctor he visited advised him to come with Rs. 50,000/- for getting the needed tests for knowing the issues with the heart which was previously operated. He do not have money in hands... He called the Founder and though he scolded them in the first instance, guided them to visit

Sun Shine Hospitals, Secunderabad after getting them appointment with Dr M Anilkumar. The Doctor knowing the situation and background, offered consultancy at a very affordable prices. Durgaprasad stayed at Hospital for a day and discharged with medical description. Durgaprasad & his mother expressed their gratitude and left to Rajahmundry - **abhaya TEAM**

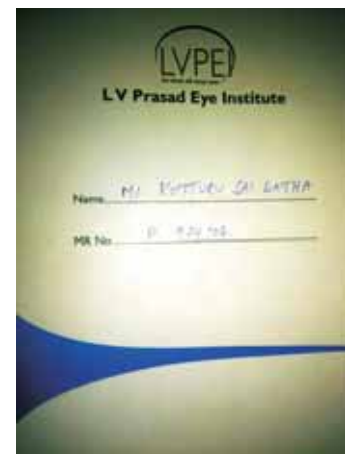

Mission Sruthi (Hyderabad)

Sruthi is slowly improving on her walking. She is also regular at Sweekar and her mother taking good care of her. Doctors at Sweekar are taking good care of Sruthi and they are doing physiotherapy for extra time than the allotted time. Her mother also now able to do most of the exercises, but they need to travel to Sweekar for proper tools.- **abhaya Team**

Sailatha (Anantapuram, AP)

abhaya child K Sailatha, III MBBS, Anantapuram Govt Medical College was frightened to know the doubt expressed by the local doctors saying thatthere is a problem with her eyes. She was depressed about it. We guided her to visit the famous LV Prasad Eye Institute, Hyderabad and also Dr MVRL Reddy. She went to hospital and spent entire day for the tests. The reports show no issues of what so ever in her eyes. abhayan CS Kiran guided her. She just reached abhaya with loads of smiles on her face, so is our feeling when seen her happiness. Prayers for those who are standing by such good work at abhaya.

An appeal to those who wish to seek help on behalf of the needy!!!

Greetings and salute you for the heart you had for the lesser privileged. Believe us this is how good work happens in this country silently. abhaya would stand besides you while you do work for those who are in need. As of date we have about scores of critical cases and each of which needs huge resources and time.

abhaya being very small in size, it always try to encourage the people who bring such cases to volunteer and lead their cases from front... what is needed is that: kind heart and strong will to pursue... this is enough to conquer the world around.

Following general action points invariably are followed in each of the cases and these are all the steps the Volunteer who brought the case to the Foundation seeking the financial assistance. Then it would be very easy to bring a meaningful conclusion for the Mission:

- We need to interview the seeker of help along with the family members about situation.
- Capture a short interview/ impressions of the needy in video
- Look at the similar interviews posted at abhaya gallery before shooting.
- Capture photos, collect Doctors estimate, present status, funds position, time available.
- Share your photos and contact details...stating how you connected to abhaya.

- Abhaya would provide initial/immediate financial assistance in a phased manner.
- Simultaneously Abhaya publish an e appeal.
- This would be further sent to Abhaya well wishers by email
- Appeal would also posted in blog, FB, Twitter etc.,
- The Volunteer to share appeal with his contacts and identify at least 5 donors.
- All the donations to be routed through Abhaya as they are exempted under 80G of IT Act.
- abhaya can also receive Foreign Contributions and it has FCRA Approval.
- Volunteers must approach electronic/print media, fm radio etc., from abhaya.
- More is the amount needed...much is the effort needed.
- Volunteer must educate the family who is seeking help to approach MLA/MP/ CM,/Governor.
- Volunteer to sit with the affected family and understand if they can connect to positive people seeking possible help in their own circle.
- Volunteer to contact HR Heads of various IT Companies with abhaya appeal so that many IT professionals would extend help.
- Volunteer to have kind heart and strong will...
- Abhaya would provide all that is needed to do the above for those Volunteers who wish to lead.
- If the Volunteer is ready to lead... then they can visit abhaya during the week end.
- Once Abhaya take up the Mission then Volunteer must act as single point of contact till the end.
- The Volunteer must update about the progress and provide all the bills for amount spent.
- If the above is not possible... then it would be difficult to provide help to the needy.
- In that case let Volunteer start praying for the recovery of the needy by providing one time help which would be normally be sanctioned on merits of the cases if the help brings in life for the needy.

M S Abdulla (B.Tech) **(HYUNDAI Sponsored)**

I am pursuing B.Tech 4th year in Civil Engineering at VNR VJIET, Hyderabad. I am going to College and Institute regularly. I am studying well by the blessings of God. Last month we had written test and interview for TCS company. Unfortunately, I

didn't go through the placement in that company. Now I am practicing hardly on written tests and communication skills by practicing previous years' papers. I will try my level best for placing in any good company. But the thing is Civil Engineering students are not allowed for most of the companies. Many companies came to our college already. While coming to my family they are somewhat better. But the thing is crops are not good and not bad. This month I did two good things. I have distributed food packet to the one who were blocked in their house with rain water. Second thing is one car struck in clay and I put a flat stone under the type. They are able to come out of clay and felt happy for the help. Next month we have final external exams theory subjects and laboratories. This month I didn't earn due to health problem and placements. I thank Abhaya and Hyundai for their kind hearted support.

Bharath (B.Tech)

I am Bharath, studying B.Tech 2nd Year at CVR college of Engineering, Ibrahimpatnam. My Father Bala Narayana and My Mother Rajeshwari. It's been two months Since, I have approached abhaya Foundation for financial help towards my college fee. I should firstly thank Sharath(brother), my well-wisher, he took me to Siva Sir's home. Let me thank CMR sir and Mrudula Madam. After that, they took me to our Principal sir and asked for discount. He kindly agreed to pay my college fee with his daughter's support. Thanks to Abhaya Foundation for helping us.

In this letter, I am informing you of a details of myself and what I did for the past one month. In the first week of September, I started to reading novels and I read Blood Diamond about American German political war that took place in South Africa. From 13th September the 1st Mid exams were started, first two subjects I have written well. But on 18th I am not well and suffered from ear pain and results were out and I got 91.1%. Due to health problems My attendance also gradually decreasing to 86%.

My parents are doing well, but Mother is frequently suffering from body pains. My sister is studying well. I have been searching for home Tutions. By the end of October, I will definitely start to earn.

GVS Srikanth (Groups/M Tech)

Group2 Exam dates are mentioned and group2 exam date is also mentioned by the government and Govt. had released supplementary notification and also increased the number of group2 posts (in 1st notification posts 489 and this posts increased to 1000 posts) and exam dates are Nov 11 & 13. My M.Tech. project will continue in this month also. Now I am only concentrating on groups. I started my preparation and specially concentrated on Telangana syllabus and special focus on economy subject and other subjects also.

Sailatha (MBBS)

My life is fibre fine here with the timely support of Abhaya. The whole month was busy with preparation for exams, seminars, postings, etc., and I did my level best in all. As I was frequently suffering from headache in between these exams, I went to doctor and briefed about history regarding previous illness in my eyes. On examination he suspected something was abnormal and referred me to higher institution like LV Prasad (Hyd) while revealing his suspicion on some disorder which is relating to brain. My eagerness made me to know more about the disease and started studying about it. I felt disappointed & drowned in to depression. I could not cope up with the useless projections of my mind in to future and failed to give less importance. I doubted whether I would be able reach that big institute in that big city and am sure even my near relatives will not come forward at least to guide me and thus got scared. Finally, one day I wanted to ease myself and to get rid from this tension, called founder. After listening to me he told not to worry and assured me by saying "come here abhaya is there to take care of you". Then I felt that "Dearness is more important than nearness".

With the help of CS Kiran sir, I got an appointment at renowned doctor LV Linga Reddy. After finishing my exams I proceeded to Hyderabad. The results of the reports were normal. I was so happy and came back with lots of smiles. I felt very difficult to simply convey a simple thanks for his unconditional concern. He was very happy by seeing my smiling face.

I happened to enjoy the next day in different manner by visiting Abhaya Home. The atmosphere was quite peaceful and filled with divine vibrations. On the occasion of closing ceremony of tailoring batch, there was gathering of about 50 rural women belonging to different age groups. Founder suggested me to give a talk on health tips. I took this opportunity and with great enthuse I tried to touch on various topics relating to adolescence, pregnancy period, middle and old age, diet, about incidence of diseases effecting in different situations, control, prevention and promotion of health standards etc., eventually what happened is, few people started approaching with doubts. They do not know whether they are normal or abnormal events and I suggested accordingly. After seeing all these, I realised to carry a small kit having fundamental things where ever I go & that would be greatly useful. Felt happy as the session was purposeful. I realised that the Goal that I should be having should necessarily benefit all the people who are helping me to achieve my Goal and to rest of the society. Thanking Abhaya for giving that opportunity. I talked to inmates and felt pleased. I was impressed by another amazing personality Manga garu... very passionately serving and many qualities are there to learn from her. With so much love Founder surprised such wonderful ladies with beautiful silk sarees and I was enjoying the event like anything by seeing beautiful smiles on their faces. To my wonder at last he called upon my name, I restrained and said sorry as am not at all eligible to accept such gifts. But he finally forced saying that is symbolic gesture to his Love and affection. I was spell bound. My heart started dancing by seeing all those. I don't have words to describe all the things. This one day added lots of joy to me and was delightful. I feel very difficult in expressing gratitude for all the love, care, affection etc., in the form of words. Let the expression be in the form of deeds. The services rendering by abhaya were always amazing and dumbstruck. But one thing was disheartening and tears rolled out, when I came to know that Founder is playing the role of caretaker of every one, but nobody is there to take care of him. I felt very sad, not even caring his health properly. My heartily prayers for your well-being Uncle. Thank you for your humble support abhaya.

Sireesha (Agri B.Sc)

My sincere and heartfelt thanks to our foundation. At first I wish you happy dussehra in advance. God may bless our foundation a lot in this year. I have read the news which you had forwarded to me on 4th of this month, by this I understood that you are conducting a meeting at Bangalore and collecting donation (Rs.200) for blankets for serving

poor people near footpaths. Since winter is approaching soon. So I am ready to donate my part for blanket. I have completed my 6th Semester exams (3rd year) practical exams at Agra successfully. I have reached Hyderabad and our college declared holidays for two weeks and at present I am at my village. My family is doing good by God's grace. I wish that our organization will be in flying colors.

Naga Raju (B.Tech)

I am Nagaraju from the Vasavi College of Engineering, Hyderabad. It's being the lovely association with Abhaya family. I am very glad to have such family, truly this association made my dream come true, by helping me in developing my communication skills, verbal, management skills what not all professional skills by which today I hold a placement. This month I got selected for a company called Black Knight finance services Hyderabad. When I informed my mother, she felt happy for my success. Regarding my college fee mother is trying to arrange the money. So, I took permission from our principal sir to pay the fee one month later. Thank you for your continuous support toward my education and success. once again I would like to convey my sincere thanks to abhaya Foundation.

Swapna Priya (CPT)

Dear abhaya, I am fine here by the gods grace, my health is good and am studying well. On October 2nd I celebrated my birthday with my family members and i am not purchased new dress. Balachandra sir presented new shirt to me. I enjoyed a lot with my family members.

I am studying II B.Com at Shanthinikethan Women's College in ESI, regularly i am attending the classes and i paid full fees. This month we have supplementary exams. We had Dasara holidays from Oct 9th to Oct 12. Me joined with neighbours performed Bhathakamma and celebrated Dassara very nicely. I enjoyed a lot, belated happy Dassara to all my abhaya members. On December 18th we will have CPT exam and we have to pay exam fee of Rs.700/- on online on or before 27th Oct. I am preparing well, when i am getting free time i am practising maths and accounts this time i am concentrating more on all subjects

Rohan Khanna (Polytechnical)

I am S.Rohan Khanna, S/o. Rajeshwar, studying diploma 1st year ECE in Govt.Polytechnic, Siddipet. My Studies are good and I am fine. Last month we have Mid-semester exams and I haven't got the marks yet. I wrote all the exams well and expecting good marks. After the exams, we had vacation for Dasara for 7 days. I have been to my home for festival. After holidays, the teachers are completing the syllabus of the 2nd Unit Test. All in our family are well. In the labs, I am performing well and the classes are going on. I could not sent this report in time, as I went to my home for vacation. The hostel food is good and the college, room and mess environment is so nice. My mess bill for the month of September is not yet given and I will send you the copy once I get that. I request you to help me in paying that. I am very happy to receive the support from abhaya Foundation and I assure you that I will settle in a good position

Manikanta (B.Tech)

I am P.SaiManikanta from Rajahmundry. I am very happy to share my monthly report. I attended all my classes without fail. I am glad to inform you that I have completed my mid-1 exams with a percent of 78. Last month I attended

Veda fest conducted at my college on 30 sept 2016 and 1 Oct 2016. I attended this fest and showcased various experiments.

Afreen Syed (Air Hostess)

I am done with my course but still held with my Galelio exam which is on 27th October. After the exam I will be sent for the campus placements. I am preparing for the exam and also working hard to crack the interview. I will surely give my best.

I am sorry for the delay in sending this report, I sent it on

8th itself but I don't know what went wrong, as you didn't get my mail. I apologize and assure you it won't be happen again. Thanking a b h a y a Foundation for the help and support.

Sandeep (CA-IPCC)

I am Sandeep from Palamaner and I hope everyone in Abhaya foundation are fine and everything is going good. I am very happy, because of these reports I can improve my communication skills. In this month, I have received two duties in my hostel, treasurer and care taker. The two aspects social responsibilities in hostel and IPCC studies are taking place simultaneously and there are no additional activities. I reduced my daily sleep for 4-5 hours per day. In classes Lecturers are taking motivational topics and some of their experiences in the journey of CA. I am very much interested in those.

I would like to give feedback for August 2016 News update:

1. The first thing that I felt very happy to see abhaya foundation's tag line i.e., AN ASSURANCE FOR NO FEAR. This tagline has lot of meaning and it is not easy to continue without team efforts. I am very thankful to them.
2. Amazing youth empowerment program started in Bangalore. First of all, I love the attitude of serving the needy persons. And here free driving and English classes are going on I think. I felt that driving is very important now a days but every one can't afford money for these and abhaya came forward to give free driving and English classes. Hats off!!! to Abhaya team.
3. And I hope that this will be continued long years and I am very thankful to founder, because he is the person who had planted a seed and also thankful to his team.

About my studies, costing and FM subjects are running fast. After finishing these subjects, they promised a total 100marks paper on full syllabus test will be conducted. After attending that exam, I will share my experience. By the way for every subject I was preparing LMR(last minute revision)notes. On the completion of each topic I will update my LMR. I hope that this will be helpful to me a lot at the time of exams.

Finally, I want to say that coaching was tremendous. From 15th of this month onwards accounts group1 started, it was very interesting and practical. Daily, in morning I am practicing two questions in accounts from previous years' papers. I give equal importance to all chapters whether it is 16marks or 4marks I don't care. Daily I will revise concepts, and with that knowledge I am able to solve the questions from previous year papers. Next important thing is I had opened a SB A/c in SBI. For this purpose, I went to my hometown and created. For October, I will be acting as Secretary of this hostel. I hope that I covered everything in this month to the best of my knowledge.

Vyshanavi (B.Tech)

Everything is going well. Last month mid exams were completed. My performance is also good. In this month on 15-09-2015 Engineers' day was celebrated in our college. So some competitions like technical Quiz, Project expo, Poster and paper presentation were conducted. I participated in Technical Quiz. In our college

One new magazine is in plan. Cultural magazine by CSE students. In that magazine apart from academics all the cultural events will be published. And during special occasions like festivals, they will conduct some programs. I am the coordinator to that from my class. Last week a person working in FORGE company came to our college. They want to set up an Activity center in our college. That activity center will have total seven committees like cultural, technical, publicity, hospitality, Placements etc. Students have to register to join into these. They will conduct workshops, other cultural events in these committees. If any student got an idea they will think of it, if they like it they will invest money also. If our management gives permission, they will set up the activity center. It depends on our management. But students are very much interested in it. From next week our lab internals will start. May be from third week, second mid will be there. After that semester Exams will start.

About Family: All are happy and everything is ok. Now my father health is also good. My sister is also good. My grandmother came to our house. About hostel I am happy in the hostel. Food in the hostel is also good. My friends are also good in their studies. Everything is good. I have no requirements now

Irfan Syed (BBM)

My name is Irfan and I am pursuing BBM 3rd year in Nalanda degree college, Vijayawada. Also, I am doing a job in international BPO, to lead my family. Coming to my monthly updates, I am trying to improve my skills by spending lot of time with my faculty at department. I am trying to gain more knowledge at everything I do. Our classes are also going well, not only me every student in our class is pretty confident that we can through a job in campus interview, which will be at the end of our degree. Daily we are having all the sessions of improving English and communication skills. During weekends also the classes are going on, to know that where we are lacking and to improve in it.

Coming to my job profile, recently I have moved out from domestic process to international process to improve my skills. It is quite easy to perform over there. And there is much growth in that organization. The salary which I earn here is just sufficient for the house rental and my sister's hostel fee. To fulfil my education needs, "Abhaya Foundation" helped me a lot. So, I am very much thankful to abhaya. Hope I will have a great journey with you all and support from abhaya when I need. Thank you!

Team was with Surabhi Drama Artists at Shilpakala Thoranam at Public Gardens, Hyderabad. abhaya stood by the artists whose families are performing since last 131 years. Feeling amazed to stand with Aruna Yoga Team, abhaya FOUNDATION and 100 Well Wishers by SurabhiTheater Performance Artists at Lalitha Kala Thoranam, Public Gardens, Hyderabad. I had the fortune of sitting amongst the audience for couple of hrs seeing "Maaya Bazaar" This was like seeing them like a child.

When enquired about their life style, very much bothered to know the struggle they are facing behind the screen in real life. Touched the feet of Padmasri Nageswara Rao (Babji) for his tireless efforts giving life to dying theater arts in the country. abhaya FOUNDATION provided a small amount as an offering to their wonderful life style. We are requesting each abhayan. Please provide them an opportunity to perform for our groups wherever... whenever... however... possible! So that they stand and live with respect. - **abhaya Team**

Komal Kishore IRS assured her support to Mountaineers

Raji and Bharath Tammineni wish to scale Mt. Everest which is world's highest peak. They will be the first Indian brother and sister to accomplish this feat. Their mission is tagged with the sacrifice of the martyrs who lost their lives in protecting the country and the countrymen. As a tribute to Indian Army Raji and Bharath proudly carrying Indian flag on their shoulders to the top of the Mt. Everest. They need our support.

Just after posting a message about Raji and Bharath, got a response from Smt. Komal Kishore IRS, MD of AP Youth Services calling the mountaineers to her office at Hyderabad. She was kind enough to spend valuable time with the siblings and assured her best support for them. We pray for her well-being. Best luck to Raji & Bharath. abhaya celebrated the Sashti Spoorthi - the 60th birthday of Sri Chinna Jeeyar Swamiji

I literally have no knowledge about Sri Swamiji except hearing about him many times in print and electronic media. Initially I thought Swamiji is coming to some event and there team abhaya will be meeting him. Yesterday when I was briefed about Swamiji honoring dignitaries engaged in selfless work...then only, I came to know that there is an event organised by Swamiji Trust on the eve of HIS 60th Birthday Celebrations.

But, when I reached the campus, I got shocked by seeing such a huge campus and also puzzled to understand as to how they can maintain campus. Till now, I thought that NGOs completely run on commercial bases. Me along with Bharat went here and there and finally reached Yagna Vatika. Seeing the crowd over there, I said to my self that the Founder's thought of handing over 60 hand made greeting cards to Swamiji and further

thought that the team may not even get even chance to talk to Swamiji. Such was the crowd.

We however distributed cards to 60+ abhayans gathered over there to write greetings and wishes along with prayers and personal details.

Finally we all went to Swamiji Living Premises and there again I thought as the Founder's idea of giving cards will work out... but his devotion mixed with innovation and creativity made it happen. He arranged all the people to sit in lines in according with numbers on the cards.

When Swamiji emerged from inside proceeding to Meeting Hall...Founder pleaded to Swamiji that abhayans prepared greeting cards and sought HIS kindness in accepting the cards.

Merciful Swamiji, took almost 60 cards personally and blessed each one personally.

Chairman of abhaya FOUNDATION, Sri Meda Narasimhulu sought the divine blessings. When Swamiji heard about his heart surgery, HE gave him Prasaadam. Chairman offered a Silver Souvenir to Swamiji. Swamiji also spoke to CS B Kiran Kumar Guptha, abhaya News Letter Editorial Board and asked him to consult Ayurveda Doctor at Hyderabad.

HE blessed CA BV Prasad, Treasurer, CS G Raghubabu, Trustee, Sri K Rangarao, Trustee, Smt Krishna Veni, abhaya Women Empowerment Center, Sec'bad, CS Devaki Vasudevarao & family, CS Someshwara Rao & Family Mountaineers Raki & Bharat, Smt Saraswathamma, Baby Teena, Sri Vijaya Bhasker. Administrator, Sairam, abhaya caretaker... many more.

Special blessings granted to the team lead by Sri D Vijaya Bhasker garu, Member of abhaya Home who represented Trishakthi Temple group. Sri G Rajendra Reddy & Sri Ambadas from Vinoba Nagar Development Society, Ibrahimpatnam also were blessed by Swamiji. It was like a dream coming true in less than 24 hrs from thought to ACTION.

I have no words to describe the happiness of each abhayan as everyone got the opportunity to see HIM, talk to HIM and seek HIS blessings. - **S Vijaya Bhaskar, Administrator, abhaya FOUNDATION**

Every visit of mine to the Swamiji leaves me a great memory, he calling me by name and enquiring about my wellbeing... though its been a long time I met swamiji. I pray for his wellbeing on the gracious occasion of 'Shasti Spoorthi' so that HE can continue to bless and to lead us from darkness to light, untruth to truth, & misery to enlightenment till eternal times.

I pray God to bless our beloved Founder CS Balachandra Sunku, with more health and energy to spread the smiles and fill the lives of the downtrodden/needly with new hope, joy and vitality. - **CS B Kiran Kumar Guptha, BK Associates, Company Secretaries, Hyderabad**

abhaya Bala Vikasam

abhaya Balavikasam weekly classes are in progress every Sunday day at Women Empowerment Center and about 30 children are regularly attending Sunday classes shows that how are connected and enjoying the classes.

Children are being taught on Values , Moral Stories and Poems (Sumati Satakam, Vemana satakam) and slokas... etc with explanation How & why they are useful in real life and how follow them in real life .

Children are very much enjoying our value based games. Mrs Anjani Devi who is a current student of 4th Batch of Tailoring is regularly taking the classes and Mrs.Sharada , Mrs.Bharathi Reddy and Krishna Veni are very caringly conducting the classes. Abhaya expressing thanks and gratitude for the their services and interest in shaping the children to be good future citizens .

We need to some suggestion and support in standardization of the model and curriculum, we request Founder and the team to give inputs - **K N S Krishna Veni Kothamasu, Coordinator, abhaya Women Empowerment center.**

abhaya equipped with HP Laptop for News Letter

Srinivas, a volunteer of abhaya since last 5 years serving the News Letter Editorial Team as a Designer. Each month he spends close to a week after office hours with the team in publishing the news letter. He is the man of commitment and empathy for abhaya. Though a small honorarium is given to him every month... abhaya team felt it very less for the grate work, he is delivering to thousands of abhayans across the globe through news letter. In order to honour his good work and make him to be available 24x7, abhaya team gifted him with a HP Lap top. He knowing that its coming from Foundation, said that he wish to give 50% of the cost from his side. Such is the feeling of this volunteer. KUDOS to him. It is only because of such people in abhaya, we are able to continue the good work. - **abhaya TEAM**
