## MESSAGE

I am pleased to know that the Abhaya Foundation has completed nineteen years of dedicated service to society and has stepped into its twentieth year with renewed commitment and vision.

Over the years, the Foundation has demonstrated how collective empathy and citizen-led initiatives can bring about meaningful transformation in the lives of many.

The successful conduct of the 19th Annual Thanksgiving Ceremony, the launch of the "Super 60" initiative, and the implementation of various empowerment programmes reflect a steadfast resolve to nurture disciplined, value-based, and socially responsible youth.

I commend the efforts of Swamy Balachandra and his team of volunteers for their selfless service and wish the Abhaya Foundation continued success in its future endeavours.

  
(JISHNU DEV VARMA)

## Building Hopes...Lighting Lives!! - TGRSJC Borabanda

We extend our sincere gratitude to abhaya Foundation and NORD Anglia Education for inaugurating the newly installed mosquito meshes, ceiling fans, tube lights, and other essential facilities in our school. Your generous support has greatly improved the safety, comfort, and learning environment for our students. The mosquito meshes ensure protection from vector-borne diseases, while the fans and tube lights provide proper ventilation and illumination in classrooms and dormitories. These improvements have created a more pleasant and productive atmosphere for both students and staff. Your noble initiative and commitment to educational development are truly commendable. We are deeply grateful for your continued support and encouragement towards our institution. Thank you for making a meaningful difference in the lives of our students.-

# Telangana Super 60- A Step Towards Educational Empowerment

Under the visionary leadership of Sri Swami Balachandra, four Zoom meetings were successfully conducted this month as part of the Telangana Super Sixty Program. These meetings focused on motivating and guiding government schools to register SSC students for this prestigious initiative.

Despite a temporary slowdown in registrations due to the election period, the response has been encouraging. So far, 1,377 students have registered, reflecting the growing trust and enthusiasm surrounding the program. Focused efforts are underway to further increase registrations in the coming days.

The Preliminary Examination will be conducted on March 1st, district-wise, under the supervision of designated coordinators. The Main Examination is scheduled for March 8th at Abhaya Home, Ibrahimpatnam, where 60 boys and 60 girls will be selected to receive specialized coaching for TSRJC and Polytechnic entrance examinations.

We extend our heartfelt gratitude to the Ramesh Gelli Foundation, Kalamandir and Regal Rexnord for their invaluable support. Your generous contribution is enabling talented students from government schools to access higher educational opportunities and shape a brighter future.

It is through your continued encouragement and support through abhaya... teachers like we are able to participate in making a meaningful impact. Thank you. -

## Home of Happiness

Monthly Doctor Visit  
to the residents

abhaya Home continues to stand as a sanctuary of hope, dignity, and transformation.

Managing the existing number of inmates especially bed side assistance is becoming critical, especially in the residential block.

Kamma, Shobha, Narasimha, and Narasamma are all fine and continuing with their work. Swapna, lakshamma and Meera Bai remain bedridden. Recently, Narasimha—who had left home earlier—returned this month, while Meera Baayi and her son left home. Narasamma being a cardia patient is the only fully active caregiver now, handling both resident care and cooking.

Venkat Reddy, despite unstable health, and Driver Nani are managing their duties. We're grateful to Dr Ravi for his time and commitment to monthly visits and health checkups.

With summer approaching, we're taking steps to care for everyone, including the dogs and paws on campus, to reduce heat-related strain and keep people safe and comfortable

We express our heartfelt gratitude to Smt. & Sri G. Srinivas for their generous donation of 25 bags of rice on the joyous occasion of their daughter's wedding. Their gesture reflects the true spirit of celebration — sharing happiness with those who need it most.

Our sincere thanks to Squares Interiors, Hyderabad, for their compassionate contribution in providing gypsum partitions in the hostel block. This thoughtful support will greatly benefit our trainees by creating better living and learning spaces.

Considering the importance of the Dining Hall and Store — prime areas for gatherings and daily activity — a false ceiling has now been installed. This improvement will significantly reduce heat during the summer season, ensuring comfort and well-being for everyone on campus.

The campus is actively preparing for the upcoming Super 60 2026 initiative. Repairs and maintenance works are in full swing.

We are camping for 22nd beautician batch and 61st driving residential batches.

As abhaya expands its activities, there is now a requirement for both Executive and Non-Executive staff to serve at the campus. Kindly circulate this requirement in your circles. We welcome dedicated individuals who wish to be part of this mission of service and transformation.

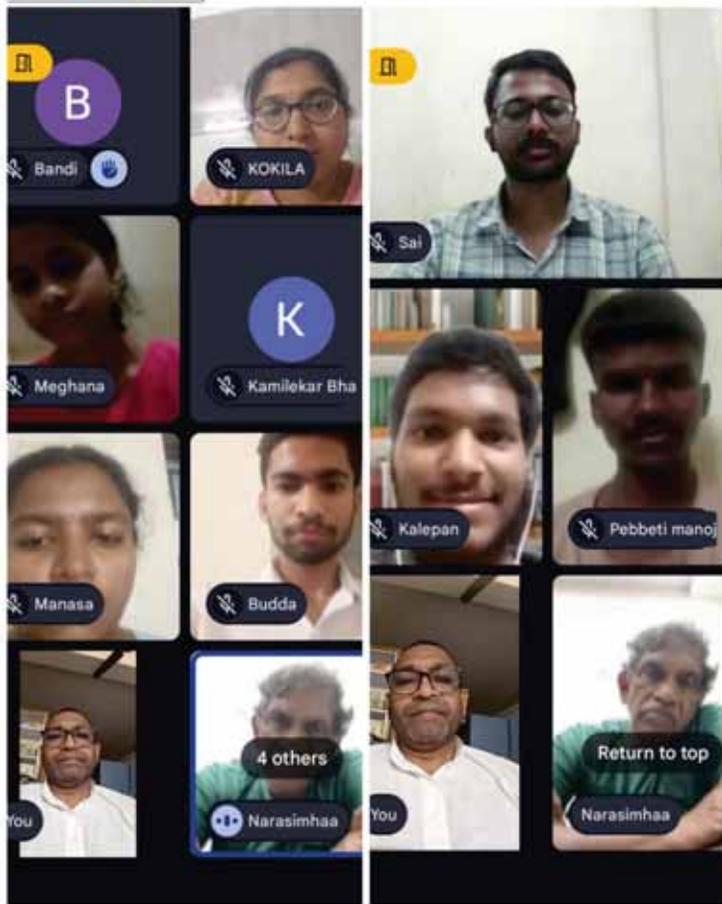

abhaya is not just a shelter - It is a Home of Happiness, Where compassion meets action, and every life is nurtured with dignity and love. - **Team abhaya**

## Sai Kiran ( M Tech, NIT)

In the first week of February, I was shortlisted for an interview at Afcons Infrastructures Limited. I attended both the technical and HR interviews, submitted all required

documents, and later appeared for an additional telephonic interview. Though I gave my best in all rounds, I was not selected. However, it was a valuable learning experience for me.

The resume drafting session conducted by Balachandra Sir and Narasimha Rao Sir was very helpful. I learned many important aspects of preparing a professional resume.

Visiting the Post Office and learning about its schemes and services was an unforgettable experience. In fact, my friend opened a savings account there on the same day.

I am motivated to learn new things through such projects in the future. I also encourage my brothers and sisters to actively participate in "Hunt the Summer" and make it a grand success.

## B Balachethan (MPC)

This month went smoothly and productively. I shared the Super 60 notification with my 10th class teachers and encouraged students to apply. As a Super 60 beneficiary, it felt nostalgic and reminded me how Abhaya changed my life.

I completed my Mid-5 exams with good results and am preparing seriously for the upcoming End Semester exams. I am also participating in the cricket tournament as part of Abhiyant 2K26.

Through Google Meet sessions, I learned how to prepare a proper resume and understood the importance of independent thinking rather than overdependence on AI.

For my project, I visited the campus Sub Post Office operated by India Post. Though nervous at first, I interacted confidently with the staff and learned that postal services offer many financial schemes beyond mail services.

I sincerely thank Swamiji for his continuous efforts and guidance in making us to learn something. I feel blessed to be part of Abhaya Foundation.

## K Chandrashekar ( B.Tech, EEE )

This month was good overall, though I faced challenges with my part-time job when the hotel closed. After briefly working late hours at a dhaba (which disturbed my routine), I found a better job with manageable timings (5:30–10:30 PM), allowing me to balance studies and work effectively.

Academically, I am preparing regularly and attending placement training classes held twice a week. I also felt very happy contributing to the Super 60 program by adding nearly 300 exam students into WhatsApp groups, remembering that I too came from the same program.

A visit to the Nellore beach reminded me that just like sea waves never stop, we must continue striving for success.

I learned resume building through a Google Meet session by Balachandra Sir and understood its importance for career opportunities. I also visited the post and realised that it's not just meant for letters but has many schemes for Savings, investments for the welfare of people. I Thank Abhaya for enlightening us with meaningful engagements.

## Muhammad (IIIT, RK Valley)

I successfully completed mid exams with good scores. My final mid and lab exams will be held in the first week of April, and I am preparing seriously, along with my JEE Mains preparation.

While I sincerely thank Abhaya and Niswartha Foundations for selecting me, I also volunteered online for Super 60-2026 and completed about 80% of my work in adding students to the Gooty group. Due to technical issues, I could not complete it fully.

I am planning to participate in Abhaya Hunt the Summer and Abhaya Bhavitha programs after exams. Apart from studies, I followed current affairs and started learning about the stock market and YouTube editing skills to develop additional income opportunities. I could not participate in college sports due to academic focus.

For the past week, I have been facing skin allergies and health issues and am taking treatment. I apologize for not submitting my Post Office report on time, as hostel rules do not permit outings. I will submit it once I reach my hometown and kindly request an extension of four days. Thank you for your guidance and support.

## V Mounika ( Polytechnic, DME)

I started learning AutoCAD (basic 2D drawings) and C programming. Though it was difficult at first, I am now able to understand and practice on my own. We also had a session on communication skills, which was very useful.

Our college conducted Freshers and Farewell celebrations, and we have started preparing for Mid-2 exams. This month was emotionally difficult as my grandfather passed away, and I missed a few classes due to health issues, but I am covering the syllabus now.

I explained the Super 60 program to 10th class students at my school and learned resume making and about post office benefits through the tasks given to us in meeting. Thank you for such insightful learnings.

## Prem Prakash Pandey (Polytechnic 1st yr DME )

This month, I started learning AutoCAD (Computer Aided Design) and improving my English communication skills. I felt proud to inform students at ZPHS Gomaram about the Super 60 program and interact with them. Thank you for your guidance and support in making to prepare resume and understand the functionality of post office.

## Pavan kumar (B.Tech)

This month, our college hosted a State-Level Inter-Sports Meet on February 2nd, graced by Smt. A. Sridevasena, I.A.S., Commissioner of Technical Education. She emphasized the importance of consistency, small daily improvements, and maintaining physical fitness.

I was selected at the district level for the 800-meter race and secured 4th place. As an NCC cadet, I volunteered at the Kabaddi court and led the NCC parade in front of the chief guest.

I learned the importance of presenting skills and presentation of our achievements effectively for future opportunities through resume preparation challenge. Currently, I am preparing for Semester-2 Mid-2 examinations starting from March 5th. Thank you for teaching something out of the box.

### **Kokila (MBBS)**

This month, I received the schedule for my final year university examinations, which will be held from April 2nd to 22nd. It will be a hectic period with 11 subjects, and

I am preparing sincerely to perform well. I completed my pre-final examinations from February 9th to 16th, including practical exams, within a short preparation time.

To focus better on my studies, I have requested leave from my part-time hospital work until the completion of my university exams. I will rejoin immediately after the exams. I am grateful to abhaya for supporting me by providing my part-time earning pay for April and May.

As part of the abhaya monthly project, I prepared my resume guidance from Balachandra Sir and Dr. Narasimha Rao Sir, I improved it significantly. I also visited the Sub Post Office and Head Post Office in Amalapuram as a part of monthly field visit and submitted my report. This month, I learned the importance of time management and timely submission of work. I aim to utilize my time more effectively in the coming weeks as I prepare for my final examinations. Thank you everyone.

### **K Bhargava Laxmi, (DCE)**

I felt truly blessed while celebrating Maha Shivaratri, which gave me a divine and positive experience.

Academically, our faculty has almost completed the syllabus for Mid-2 examinations, and I am preparing through daily revision and slip tests. I was absent for a few days due to fever and stayed at home.

This month, I also learned how to build a proper resume through an online session conducted by Narasimha Sir and Balachandra Sir, which helped me understand professional guidelines and the importance of developing skills without depending on AI tools.

Additionally, I am improving my knowledge by watching YouTube videos on engineering drawing, CAD, and other civil engineering topics. I also visited the post office as a part of field visit and will submit my detailed report soon.

Thank you for paying 16,000/- towards my hostel. Blessing with another parents so called abhaya.

### **Manasa (B Tech)**

I am doing well and focusing on improving my technical knowledge, especially in the area of internships and skill development.

This month, I completed an Artificial Intelligence and Machine Learning internship at iStudio, where I learned various AI & ML concepts and worked on projects. I was selected for this internship through an aptitude test and received the opportunity at a minimal certificate fee. One final project submission is pending.

I am also attending a one-month "Python with AI" workshop conducted by Be10x, which is helping me enhance my AI skills. Additionally, I participated in a Google Meet session on resume building, which helped me understand how to structure my resume effectively.

Along with internship work, I wrote my exams well and am currently attending placement training in college. Due to exams and internship commitments, I could not go to field visit, but I will do so soon. I am happy to share that I have been selected for another two-month online internship at Alfidotech in the domain of UI/UX design, starting from March 1st. Thank you for all the encouragement abhaya.

### **Manoj (DECE 1 st year)**

February was a productive month filled with learning and activities. I started learning webpage creation using Adobe Express and explored the basics. I participated in the ECE branch flashmob during the Freshers and Farewell celebrations, which was a great success.

I also began preparing for Mid-2 exams. Through NSS activities, I took part in auditorium cleaning and decoration work for a retreat, completing the tasks successfully with teamwork. Additionally, I visited the nearby post office for official work. Overall, it was a month of learning, participation, and teamwork

### **Dr. Giri Raj Shekar ( Ph.D)**

Dr. Giri Raj and his family are currently navigating a challenging phase with multiple health concerns affecting their loved ones. His father, a chronic kidney patient undergoing regular dialysis, recently had to undergo hip surgery for fracture femur. At the same time, his wife has been diagnosed with abdominal tuberculosis and is undergoing treatment.

We offer our heartfelt prayers for the complete recovery, strength, and well-being of his father and wife.

Amidst these personal challenges, Dr. Giri Raj continues his academic journey and is in the final stages of completing his doctoral process and is required to visit Chennai in person to enquire and fulfill university formalities after obtaining approval from the higher authorities. We sincerely pray and wish that he is awarded his Doctorate degree at the earliest — well ahead of expectations. May this milestone bring joy, fulfillment, and renewed strength to him and his family. -

**Team abhaya.**

## abhaya Samskara Kendram (ASK)

Quality, Commitment, Transformation – The New Chapter of ASK

The abhaya Samskara Kendram (ASK), our free tuition initiative, continues to empower young minds through academic support, moral values, and essential life skills. Over the past four years, ASK has expanded its footprint across Andhra Pradesh, Telangana, Karnataka, and Tamil Nadu, creating meaningful impact in rural communities.

Through 30 ASK centers established during this journey, more than 30 educated yet unemployed rural women were provided dignified opportunities to serve as teachers and mentors. Beyond employment, ASK has enabled them to become role models and change-makers in their villages.

### Quality Over Quantity

At abhaya, we firmly believe that quality matters more than numbers. With this guiding principle, we took courageous decisions to ensure integrity and commitment within our centers. Teachers who did not align with the core values of loyalty, sincerity, and responsibility were relieved of their roles—irrespective of explanations.

As a result, the number of centers has temporarily reduced to single digits. However, this transition marks a strengthening of our foundation rather than a setback.

### Call for Truthful & Committed Educators

For the upcoming academic year, we are opening applications for aspiring, truthful, and value-driven teachers to join the ASK family. The call for applications is being widely circulated through various social platforms.

We humbly request our readers to share this opportunity within their circles.

## New ask Centers to start from June 2026

So far, we have received nearly 70 applications from both men and women. While applications are open to all, we particularly encourage women to step forward and embrace this noble responsibility—as nurturing guides and “mothers of the nation.” so we looked Applications from Educated House Wives in the villages to run abhaya Free Tuition Centers.

### Guidelines for running ask Centers

<https://abhayafoundation.org/pdf/ASK%20Guidelines.pdf>

### Structured Selection & Training Process

The screening process is being carefully led by Director Sri Ramakrishna garu, who has kindly taken up the responsibility of first-level scrutiny, followed by the founders' review and suggestions.

Selected candidates will undergo a two-day intensive training program on May 26 th 2026, which includes:

- 1) ASK syllabus orientation
- 2) Core values and guidelines
- 3) Introduction to abhaya Foundation's vision and mission
- 4) Exposure to abhaya Bhavitha initiatives

### Teaching methodology and community engagement practices

This ensures that every ASK teacher is not just academically capable, but also value-rooted and mission-aligned.

New centers will be started from July 26 th, 2026.

### Current Progress & Vision Ahead

The existing ASK centers are functioning effectively, with steady student strength and activities extending beyond academics—such as:

Field visits, Project-based learning, Value education sessions, Personality development activities

Our aim is not merely to increase numbers but to inspire transformation—one child, one teacher, one village at a time.

With collective goodwill and continued support by Regal Rexonard, we aspire to expand responsibly and impact many more lives in the years ahead. - **Team abhaya**

మహిషి క్షేత్రంలో యుగాల క్రితం వశిష్ట మహర్షి ప్రతిష్ఠించిన ఉగ్రతారా మందిరాన్ని సందర్శించాను .ఈ పురాతన ఆలయంలో ఉన్న అతి పురాతన తారా విగ్రహం, దగ్గర మరియు దూర ప్రాంతాల భక్తుల్ని తమ వైపు ఆకర్షించుకుంటుంది. ప్రధాన దేవత ఉగ్రతారా అమ్మవారికి ఇరువైపులా రెండు చిన్న స్త్రీ దేవతల విగ్రహాలు చూసాను. వీరిని స్థానిక ప్రజలు ఏకజాత, నీల్ సరస్వతిగా పూజిస్తారు. ఈ ప్రదేశంలో 108 శక్తి పీఠాలలో సతి దేవి కన్ను పడిన ప్రదేశంగా నమ్ముతారు. ఆలయ సముదాయంలో ఎవరూ లేకపోవడంతో నేను ప్రశాంతంగా గర్భగుడిలో వెళ్ళి పోయాను. అంతే కాదు అమ్మవారికి విన్నవించి సెల్ఫీ కూడా తీసుకున్నాను సుమా! అలాంటి ప్రదేశాలను చూడడం ఒక మహత్తరమైన ఉత్తేజ పూర్వకమైన అనుభవము.

కర్మ మరియు జ్ఞానానికి సంబంధించిన చర్చలలో ఆది శంకరుల వారు మొదటిసారి మండనమిశ్రడుని కలుసుకున్న ప్రదేశాన్ని కూడా నేను దర్శించుకున్నాను. అక్కడ అంతా చాలా ప్రశాంతతతో కూడిన వాతావరణం ఉంది. ఈ జంట (మండ నమిశ్రడు మరియు ఉభయ భారతి) గురించి చాలా గాధలు వినిపించాయి. వారు బ్రహ్మ సరస్వతి అవతారాలు అని చర్చలో మండనుడు ఓడిపోయి ఆయన శిష్యుడు అయ్యాడని ఆయనకు సన్యాసం ఇచ్చి సురేశ్వరాచార్యగా నామకరణం చేసి తత్వమసి అనే మహా వాక్యంతో శృంగేరి పీఠానికి ప్రథమ పీఠాధిపతిగా నియమించబడ్డారని ప్రతీతి.

మహిషికి 200 కిలోమీటర్ల దూరంలో ఉన్న సోనేపూర్ బయలుదేరాను. ఈ ప్రదేశం కూడా ఆదిశంకరాచార్యుల వారిచే పవిత్రీకరించబడినది. బాబా హరిహరేశ్వరునికి అంకితం చేయబడిన చాలా పురాతనమైన ఆలయాన్ని నేను సందర్శించాను.

**పాట్నా:** నేను పాట్నాని చేరుకునే సరికి అర్ధ రాత్రి 12 గంటలు అయింది. అక్షరాలలో వివరించలేనంతగా అలసిపోయాను. అయినా సరే ఆ రోడ్లలో నా బడ్జెట్ లో వచ్చే వసతి లేదా డార్మెటరీ కోసం 30 నిమిషాల పాటు

తిరిగాను. ఒక గది కూడా శుభ్రంగా లేదు. పాట్నాకి ట్విన్ సిటీ గా భావించే హజీద్గర్ రైల్వే స్టేషన్ కు దగ్గర్లో ఉన్న ఈ ప్రదేశము ఇంత అపరిశుభ్రంగా ఉండడం అనేది నన్ను చాలా ఆశ్చర్యపరిచింది.

నేను ఇక రైల్వే స్టేషన్ కి వెళ్లి అక్కడే విశ్రాంతి తీసుకోవాలని నిర్ణయించుకున్నాను. ఇది ఇక్కడ దగ్గరలో ఉన్న వసతి గృహాలు కన్నా కాస్త మెరుగుగా ఉంది అని అనిపించింది. నేను స్టేషన్ లో ఉన్న CTO ను కలిసి అర్థించాను నేను ఎ.సి విశ్రాంతి గదిలో ఉదయం దాకా విశ్రాంతి తీసుకోవడానికి అనుమతిని ఇవ్వమని అని. ఆయన నన్ను చూసి మీలాంటి వాళ్ళ వల్ల సమాజంలో మంచి జరుగుతుంది, అంటూ ఎంతో గౌరవంతో వెళ్లి విశ్రాంతి తీసుకోమని చెప్పారు. నా దగ్గర సామాను ఏమీ లేదు కారులోనే వదిలేసినందు వల్ల ఎలాంటి ఒత్తిడి లేకుండా హాయిగా నిద్రపోయాను. మళ్ళీ ఉదయం 5:00కు అంత లేచి అక్కడ ఉన్న తోటి ప్రయాణికుడిని అడిగి పేస్టు తీసుకుని పళ్ళు తోముకుని సబ్బు లేకుండానే స్నానం చేసి గండకీ నది తీరంలో ఉన్న బాబా హరిహరనాథ్ మందిరాన్ని దర్శించుకోవడానికి పేరింగ్ ఆటో ఎక్కాను.

ఈ ప్రదేశము కార్తీక పౌర్ణమి సమయంలో గాజ్ గ్రహ యుద్ధంలో హరి ఆ ప్రాంతాన్ని రక్షించారని నమ్మకం. ఆ సమయంలో గంగా స్నానం అసాధారణమైన ప్రభావంతో కూడి ఉంటుందని హిందువులు భావిస్తారు. కార్తీక పౌర్ణమి నాడు స్నానం చేయడానికి పెద్ద సంఖ్యలో జనం వచ్చి ఉంటారు. ఆరోజు మొదలైన ఆ మేళా 15 రోజులు పాటు కొనసాగుతుంది. బీహార్ లోని సోంపూర్ లో హరిహరనాథ ఆలయ కథ ఏమిటి అంటే హరిహరుడు...రాముడు సీతామాత స్వయం వరానికి వెళ్తున్నప్పుడు దానిని నిర్మించారు అని.

అక్కడ నుంచి గాంధీ సేతు దాటి పాట్నా నగరంలో ప్రవేశించాను. గంగా నది పవిత్ర జలాలపై మహాత్మా గాంధీ సేతు పాట్నా హజీపూర్ను కలిపే వంతెన. 10 సంవత్సరాల వ్యవధిలో నిర్మించబడిన ఈ వంతెన దేశంలోనే అతి పొడవైన వంతెనగా గుర్తింపు పొందింది. ఖచ్చితంగా చెప్పాలి అంటే 5750 మీటర్ల పొడవు ఉన్న రెండవ అతిపెద్దవంతెన. ఇది నగర ప్రముఖ పర్యాటక ప్రదేశం. ఇది NH19 లో ఒక భాగము. పాట్నా నుండి ఉత్తర బీహార్ కు కొన్ని నిమిషాల వ్యవధిలోనే చేరుకోవచ్చు.

**పాట్నా దేవి :** ఎవరి దయతో అయితే కొన్ని యుగాల క్రితం పాటలీపుత్రంగా అభివృద్ధి చెందబడిందో ఆ నగరమే ఇప్పుడు పాట్నాగా పిలవబడుతుంది, ఆ పాట్నా దేవిని దర్శించుకున్నాను. ఇది పాట్నాలో ఉన్న అతి పురాతన ఆలయాల్లో ఒకటి. భారతదేశంలో ఉన్న 51 సిద్ధ శక్తి పీఠాలలో ఒకటి అయినది అని పౌరాణిక పుస్తకాలు తెలుపుతాయి. సతి దేవి కుడి తొడ ఇక్కడ పడిందని అంటారు.

నిండి ఉన్న స్థలము. నన్ను నేను పరిచయం చేసుకోక ముందే అక్కడ పూజారిగారు హనుమాన్ విగ్రహం మీద నుండి పూల దండను నా మెడలో వేసి నాకు ప్రసాదం ఇచ్చారు. అక్కడే కొంతసేపు ప్రార్థనలు చేసుకున్నాను.

అక్కడి నుంచి నేను ప్రసిద్ధమైన గురుద్వారా టక్, శ్రీ పాట్నా సాహెబ్ హార్ మందిర్ సాహెబ్ ని దర్శించుకోవడాని

కి బయలుదేరాను. నేను గురుద్వారాలో ప్రవేశించేముందే రోడ్డు పక్కన ఉన్న నీటి కుళాయి కనిపించింది, నేను అనుకున్నాను ఇక్కడ మరోకసారి శుభ్రంగా స్నానం చేద్దాము అని, నేను స్నానం చేసి దుస్తులు మార్చుకుని దర్శనానికి వెళ్లాను. సిక్కుల పదవ గురువైన గురు గోవింద్ సింగ్ జ్ఞాపకార్థము ఈ గురుద్వారా నిర్మించబడింది. డిసెంబరు 1666 లో పాట్నాలో జన్మించారు. ఈ గురుద్వారాని సిక్కుల సామ్రాజ్య మొదటి మహారాజైన మహారాజా రంజిత్ సింగ్ (1780 - 1839) లో నిర్మించారు.

ఆ తర్వాత పాట్నా రైల్వే స్టేషన్ దగ్గరలో ఉన్న మహావీర్ మందిరాన్ని దర్శించుకున్నాను. ఇక్కడ హనుమంతులు వారు రెండు రూపాలలో కనిపిస్తారు. సంకట్ మోచనుడు, దుఃఖశమనుడు ఇది చాలా శక్తి తరంగాలతో

బీహార్ లోనున్న అద్భుత ప్రదేశాలన్ని చూసి నేను ఎంతో సంతోషపడ్డాను. ఆదిశంకరాచార్య దిగ్విజయాత్రలో వారిచే దర్శించబడ్డ వాటిలో ఒకటైన కామరూపాదేవి దర్శనానికి బయలుదేరాను. నాకున్న సమయం, దూరాన్ని పరిగణలోనికి తీసుకుని N R C విమానంలో పాట్నా వెళ్లాలని నిర్ణయించుకున్నాను. ఎయిర్ పోర్ట్ కి వెళ్లే దారిలో నేను క్యాబ్ డ్రైవర్ కి డబ్బు చెల్లించి, నేను భారతదర్శనో వినియోగించని ప్రతి ఒక్క వస్తువునీ వాటి నాణ్యత, ఖరీదు ఏమిటి అని దృష్టిలో ఉంచుకోకుండా డ్రైవర్కి ఇచ్చేసాను కానీ నేను ఆయనను ఒకటి అభ్యర్థించాను, ఆయనకు అవసరం ఉన్నవి ఉంచుకొని మిగతావి వేరే ఎవరికైనా దానం చేయమని. ఆయన ఆ విషయాన్ని చిరునవ్వుతో అంగీకరించారు.

**శృంగులదేవి:** విదేశీ ఆక్రమణదారులచే నాశనం చేయబడింది. పశ్చిమ బెంగాల్లో ఆదిశంకరులు దర్శించిన ఏకైక ప్రదేశం. ప్రద్యుమ్న వద్ద ఉన్న శృంగులదేవి హుగ్లీ జిల్లాలో ఉందని నమ్ముతారు. ఆ ప్రదేశం దర్శించాలని భావించిన వెంటనే పీఠం గురించి ఆరా తీశాను. శృంగుల అనే పదానికి రెండు అర్థాలు ఉన్నాయి. ఒకటి కట్టి ఉంచే దారమని, రెండవది స్త్రీలు ప్రసవానంతరము తమ పొత్తికడుపుని కట్టుకోవడానికి ఉపయోగించే వస్త్రము అని. మొదటి అర్థం ప్రకారము దేవత పరిమితి రూపంలో ఉంటుంది. వాస్తవానికి జగన్మాత శివునికి సత్యానికి మాత్రమే కట్టుబడి ఉంటుంది. భక్తుల బంధనాలన్నింటినీ తొలగిస్తుంది. రెండవ అర్థం దేవత ప్రసవానంతర దశలో ఉంది (అంటే నవజాత శిశువు యొక్క తల్లి) ఈ రూపంలో ఆమె మొత్తం విశ్వాన్ని తన సంతానంలా చూస్తుంది. భక్తులు తమను తాము శృంగుల దేవి మాత యొక్క నవజాత శిశువులుగా ఊహించుకుంటూ ఉంటారు. ఆమెను ఆరాధించడానికి సర్వ శరణాగతి శిశుభావన అవసరము. **(ఇంకా వుంది)**

# abhaya Bhavita: A Movement Transforming Young Minds Across States

Today, 100 SoulDears from all religions and diverse backgrounds are actively volunteering under the abhaya Bhavitha banner — united by a shared commitment to service and social transformation.

## Reaching the Unreached

The initiative has left no stone unturned, reaching girls in:

Zilla Parishad Schools, Government Schools & Colleges, KGBVs, Gurukul Schools, Private Schools / Colleges, Engineering Colleges, Dental & Medical Colleges

and deliberating before granting sessions — the response after each program has been overwhelmingly positive. Principals and faculty members applauded the SoulDears and expressed heartfelt gratitude to abhaya Foundation for delivering such insightful and meaningful sessions.

A powerful wave of transformation is unfolding through abhaya Bhavita — an initiative of abhaya Foundation, where SoulDears focusing on girls' safety and responsible citizenship. What began as a vision has now become a vibrant movement touching thousands of lives.

Remarkable Impact in Just One Month (February)

20 SoulDears, 80 impactful sessions, 30,000+ students reached

In this single month alone, the dedication of our volunteers has created an extraordinary ripple effect across educational institutions.

Across remote and urban regions of: Bhavita reached thousands of people in Hyderabad, Ranga Reddy, Medchal, Sri Sathya Sai, Abantapuram Selam, East Godavari, Manyam, Visakhapatnam, Srikakulam, Chittoor, Madanapally Dists in South India

Official permissions were obtained from MEOs and DEOs of respective regions, ensuring structured and authorized outreach. While some institutions initially hesitated — requesting written communications

## Leadership with Purpose

Our Founder sets the tone by prioritizing purpose over publicity. Before attending any event, he connects communities to Bhavitha, encouraging the hosting of awareness sessions locally — elevating meaningful engagement beyond donation drives.

This is not merely outreach.  
This is character building.  
This is confidence building.  
This is nation building.

## From Volunteers to Local Role Models

One of the most beautiful outcomes of this initiative is the transformation within the volunteers themselves.

Individuals once unknown in their localities are now recognized and celebrated.

Volunteers confidently address gatherings that include high-level dignitaries.

Fear has been replaced with purpose. Hesitation has transformed into leadership.

The SoulDears speak with clarity, conviction, and compassion - embodying the very change they wish to see. What else we need?

## The Result: Transformation Everywhere

When founder like individuals live behind us with such pure, soulful of service step forward to lead young minds, transformation becomes inevitable. Through abhaya Bhavitha, lives are being impacted - directly and indirectly - across regions, communities, and generations.

As every year, this year too... the Super 60 programme will turn out to be a phenomenal success. Apart from providing top-notch residential coaching for various entrance exams for class X students, the programme will offer a holistic experience rooted in discipline, values-based learning communication skills, and personality development. Students will sure equipp with all the essentials needed for academic and personal excellence along with heartfelt celebrations, meaningful guidance, and rejuvenating educational tours. - **Team abhaya**

Dear Swamiji, Thank you very much for your inspiring session and for sharing your valuable time with the girl students of MR Group of Educational Institutions. The program was truly meaningful and well received by everyone.

We are sincerely thankful to your guidance and look forward to many more such sessions in the future. - **Varalakshmi, MR Group of Educational Institutions**

# Bhavita Blast at Gouthami Institute of Technology and Management, Proddaturu

**GOUTHAMI**  
INSTITUTE OF TECHNOLOGY AND MANAGEMENT FOR WOMEN  
★ **AUTONOMOUS** ★

Despite a last-hour rush and space constraints, hundreds of girls stood on the first and second-floor balconies for a whopping 90 minutes, absorbing every word of the Founder's session on girls' safety on 28th Feb '26. The enthusiasm was palpable! Teaching and non-teaching staff joined in, making it a power-packed event for 800+ engineering students.

- Girls stood patiently on balconies, showing keen interest and asking thought-provoking questions

- Staff actively participated, amplifying the impact and sparking meaningful discussions

- Management's proactive efforts ensured a seamless experience despite the rush

## Highlights:

- Founder's session on girls' safety, self-defense, and empowerment left students spellbound

Heartfelt thanks to the Management led by Byreddy Ravindra Reddy and Principal Dr Ramasubbamma for making it happen. - **Team abhaya**

అభయ ఫౌండేషన్ వ్యవస్థాపకులు స్వామి బాలచంద్ర ఈరోజు ఉదయం మరియు సాయంత్రం తెలంగాణ గురుకుల పాఠశాలలను ( చౌటుప్పల్ & రామన్న పేట) సందర్శించారు. ఇక్కడ విద్యార్థులతో ఏర్పాటు చేసిన సమావేశంలో వారు మాట్లాడుతూ విద్యార్థులు ఎలా ఉండాలి ఎలా ఉండకూడదు అని చెప్పిన ఉదాహరణలు సభికులను విశేషంగా ఆకట్టుకున్నాయి. ఎలాంటి పరిస్థితులలోనైనా ఎలా జీవితంలో ముందుకు సాగాలి అనే విషయాలు సభికులను ఆకర్షించాయి, ఆలోచింపజేశాయి. ఇక్కడ

చెప్పినటువంటి విషయాలు సభికులను,విద్యార్థులను ఆద్యంతం కట్టిపడేశాయి.నేటి సమాజంలో ఆడపిల్లలకి జరుగుతున్న అన్యాయాల గురించి ఆకృత్యాల గురించి కళ్ళకి కట్టినట్టుగా వివరించారు. అంతే కాకుండా ఆడపిల్లలు ఎలా ధైర్యంగా ఉండాలో చెప్పిన తీరు అద్భుతం. సుమారు 90 నిమిషాల సేపు సాగిన ఈ ప్రసంగం చక్కటి హాస్యంతో,హృద్యంగా,ఉద్వేగభరితంగా సాగింది. కొన్ని సందర్భాలలో పిల్లల, ఉపాధ్యాయుల కళ్ళు చెమ్మగిల్లడం గమనార్హం. ఈ కార్యక్రమంలో పాఠశాల విద్యార్థులు,అధ్యాపక బృందం పాల్గొన్నారు. -

## TGRS&JC, Sarvail: A Living Legacy of Vision, Sacrifice, and Excellence

I had the privilege of visiting the first residential school in the combined state of Telangana and Andhra Pradesh— TGRS & JC, Sarvail (Sarva Velupula Puram), Nalgonda district —a landmark institution inaugurated by the visionary leader Shri P. V. Narasimha Rao.

This pioneering Gurukul was made possible by the extraordinary sacrifice of Sri Maddi Narayan Reddy, Sarpanch of Sarvail village, who was deeply inspired by Acharya Vinoba Bhave's Bhoodan Movement. In the 1970s, he generously donated 100s of acres land, including 45 acres specifically for this school, to uplift underprivileged children through education. The Gurukul concept was envisioned by Shri P. V. Narasimha Rao and wholeheartedly supported by the land donor—an inspiring confluence of leadership and selflessness.

Over the decades, Sarvail has emerged as a true Centre of Excellence, shaping thousands of students who now serve the nation and the world with distinction. Among its illustrious alumni are Dr. Prabhakar Reddy (film actor), former DGP Mahender Reddy, IPS, and Sri Rabakrishna Rao, the present Chief Secretary of Telangana.

Knowing about such SoulDears of Bharat Mata—who shared their wealth and vision for the nation is deeply moving.

abhaya Foundation is proud to be associated with TREIs and to have served numerous TGRS & JC schools across Telangana over the past five years, continuing this noble legacy of transformative education. – **Balachandra**

## Bhavita & Breathing Bharat – Outreach and Awareness Programs

Out Reach and Awareness Sessions  
at TGRSJC Institutions (04.02.2026)

On 4th February 2026, a series of impactful outreach programs were conducted under the Bhavita & Breathing Bharat initiative at four TGRS & Junior Colleges—Choutuppall, Ramannapet, and Sarvail (School and College sections)—along with a visit to the Tailoring Centre at Lingoji Guda near Choutuppall. The objective was to create awareness, provide motivation, and guide students and trainees towards safety, academic excellence, and holistic personal development.

At Choutuppall and Ramannapet, a one-and-a-half-hour abhaya–Bhavita session focused on girl child safety. Swamiji sensitized students on personal safety, sharing nearly 25 practical safety instructions and empowering them to respond confidently to challenging situations. The sessions emphasized awareness, self-reliance, and confidence among girl students.

At TGR Junior College, Sarvail, a motivational session guided Intermediate students on stress-free academic success through effective time management, concentration, memory enhancement, and presentation skills, encouraging them to aspire for premier institutions like IITs and NEET colleges.

At TGR School, Sarvail, Swamiji inspired students by explaining the true meaning of “STUDENT,” supported by stories of national leaders, instilling values of patriotism, discipline, hard work, and goal setting.

The visit concluded at the Lingoji Guda Tailoring Centre, where learners were motivated towards punctuality, sincerity, humility, and skill-based self-reliance.

Overall, the programs were highly impactful, instilling confidence, discipline, safety awareness, and a strong vision for a self-reliant and responsible future generation - **Surabhi Chaitanya, Principal, TGRSJC, Coordinator, Bhavita Out Reach**

Best Wishes to the students of TGRSJC, Yedapally, NZBD, TG

## Congratulations SSS Vidya Vihar, Macherla

Founder visited SSS Vidya Vihar, Macherla on the eve of Vimsathi Jyothi (20th Anniversary). abhaya has long term association with the institution and supports their good work wherever possible. The event is graced by High Court Judge, Js Manmadha Rao and others. Best cultural performances by students added glitter for the event. We congratulate Sri Anilkumar Akkineni, Sri Jakka Srinivasa Rao and Smt Ramadevi for their management of the Institution for the past 2 decades following the ideals of the Founder, late Sri Nimmagadda Lakshmi Prasad. - **Team abhaya**

### A Lifetime of Giving: The Rajyalakshmi - Murthy Story

Smt Rajyalakshmi and Col Murthy started a simple tradition years ago, setting aside Rs.50 every month in front of Baba's altar for good work. As their lives flourished, so did their devotion but Rs.50 remains unchanged.

One day, while offering the usual Rs.50, Smt Rajyalakshmi heard a whisper from Baba: "Look, I've granted you so much and made you rich. Can't you dedicate at least one day's earnings to good work?"

Astonished, she shared this with Col Murthy, and their offerings grew exponentially. Now retired, they continue their monthly giving, supporting causes like abhaya Foundation.

We're grateful for their selfless contributions and privileged to have them as supporters. - **Team abhaya**
